Federation University Australia acknowledges the Traditional Custodians of the lands and waters where our campuses, centres and field stations are located and we pay our respects to Elders past and present. We extend this respect to all Aboriginal and Torres Strait Islander and First Nations Peoples.

The Aboriginal Traditional Custodians of the lands and waters where our campuses, centres and field stations are located include:

Wimmera	Wotjobaluk, Jaadwa, Jadawadjali, Wergaia, Jupagulk
Ballarat	Wadawurrung
Berwick	Boon Wurrung and Wurundjeri
Gippsland	Gunai Kurnai
Nanya Station	Mutthi Mutthi and Barkindji
Brisbane	Turrbal and Jagera

At Federation University, we aim to make a real difference to the lives of every student who walks through our doors, and to the communities we help build and are proud to be part of.

We are one of Australia's oldest universities, known today for our modern approach to teaching and learning. For 150 years we have been reaching out to new communities, steadily building a generation of independent thinkers united in the knowledge that they are greater together.

Be part of our diverse community

Today, we are proud to have more than 23,000 domestic and international students and 110,000 alumni across Australia and the world. Into our supportive, inclusive and thriving community, we welcome people from all backgrounds and cultures.

Why choose Federation University?

Our History

The University has a distinguished history as one of Australia's oldest higher education institutions. We have a strong tradition of education and training delivery and are celebrating our 150 year tradition in 2020. We became Federation University Australia in January 2014.

Diversity

We are committed to providing equal opportunity and freedom from discrimination and harassment for all members of the Federation community, and to creating an environment that reflects our values; the social and cultural diversity within the communities it serves.

State-of-the-art facilities

And when it comes to your classes, our state-of-the-art facilities provide everything you need to get ahead. You will have access to an array of essential and contemporary teaching and learning technologies.

Small class sizes

Our class sizes are small, meaning you can receive one-to-one assistance directly from your lecturers and tutors.

You are part of something bigger

And this begins the moment you arrive. From our clubs, societies and sports teams, to our recreational trips and activities, you'll have every opportunity to get involved in Federation life – to meet new people, get inspired and build lifelong connections.

We are built for success

Wherever you walk around our campuses, you'll find plenty of natural green spaces and nooks to meet up with people, study, or just take time out.

Support that never stops

Even after you graduate, you're still part of our community. With strong relationships with industry partners, your degree will provide opportunities that are set to grow.

Our research changes lives

Our research is ranked well above world standard, with the university achieving the highest possible five-out-of-five rating in seven research areas by Excellence in Research Australia (ERA). We're driven by the innovative research we do, and the brilliant minds that power it.

We collaborate with communities and industries across Australia and overseas and our work has measurable impact on our wider society.

- 1 The Good Universities Guide 2020, undergraduate level
- 2 The Good Universities Guide 2020, postgraduate level
- 3 The Good Universities Guide 2020, undergraduate and postgraduate level

Our campuses and locations

Being at university is about feeling comfortable with where you're studying, not just what you're studying. With our six campuses stretching across Victoria, from the Wimmera and Ballarat to Berwick and Gippsland, we're sure you'll find a campus that's right for you. Our campus in Brisbane, one of the fastest-growing cities in Australia, gives postgraduate students even more choice.

Find out more at federation.edu.au/visitfeduni

Mt Helen Campus (Ballarat)

Our flagship Ballarat campus is home to both Federation TAFE and higher education courses. Set on 110 hectares of natural bushland, Mt Helen combines a beautiful location with cutting-edge teaching and research facilities – and is just minutes from the centre of Ballarat.

SMB Campus (Ballarat)

On the outside, our SMB Campus is recognised for its historic 19th century buildings. But today it's home to Federation College and Federation TAFE, and includes top engineering and construction centres and a purpose-built ceramics studio, kiln room and exhibition space. It delivers TAFE vocational education, apprenticeships, skills training and preparatory courses.

Camp Street Campus (Ballarat)

Located right in the centre of Ballarat, Camp Street is known for its highly-regarded Arts Academy – running visual and performing arts courses. With a mix of specialised theatres and galleries, the campus provides the kind of environment needed to hone your creativity, experiment and showcase your work.

Rural Sciences Skills Centre (Ballarat)

Spread over two locations around Ballarat, the Rural Skills Centre is recognised for its excellent TAFE training facilities. At Gillies Street, TAFE students make use of the wetlands and gardens of Ballarat's Lake Wendouree and Botanical Gardens precinct, while Mt Rowan has purpose-built agricultural facilities for TAFE students to engage in livestock and crop-based farming training.

Berwick Campus

Berwick is our newest campus, located around 40km south-east of the Melbourne CBD, easily accessible by train and just off the Princes Freeway. Equipped with a newly developed science lab, nursing labs, library and on-campus accommodation, it also features an expansive solar array that dramatically reduces our carbon footprint, and metro and country rail links are within walking distance.

Gippsland Campus (Churchill)

Our Gippsland Campus combines the best of what campus life is all about – a welcoming community, innovative learning environment and excellent research facilities (Carbon Technology Research Centre). Situated on 60 hectares of landscaped grounds and adjacent to the town of Churchill, it's less than two hours from Melbourne.

Wimmera Campus (Horsham)

With its TAFE and degree study options, Wimmera appeals to all kinds of students, from differing backgrounds. Fully equipped to meet the needs of today's workplaces, the campus features a hairdressing salon, a nursing training centre, as well as specialised plumbing, electrical, automotive and building and construction workshops.

Brisbane Campus

Primarily an international student campus, the Brisbane Campus is situated in the heart of Brisbane. The new architect-designed facility has the latest in technology and comfort and is within walking distance of great eateries, shopping and entertainment. It's also conveniently located near our preferred accommodation provider, StudentOne, and the Central train station.

Online study

We have a range of fully supported online courses – so you can get ahead in your studies, without falling behind in other areas of your life.

Our Support Services and Programs

Being a university student is certainly exciting, but it's not without its challenges. With our range of student-focused academic pathways and support programs, support is always on hand.

Aboriginal Education Centre

A support hub for Aboriginal and Torres Strait Islander students.

federation.edu.au/aec

Libraries

Welcoming spaces for groups and quiet study, our virtual library gives access to print books, ebooks, journal titles and streamed videos.

federation.edu.au/library

Counselling

All students are welcome at our free and confidential counselling service.

federation.edu.au/counselling

Chaplaincy

Chat with a chaplain for spiritual and pastoral care support, or any practical matters to do with university life.

federation.edu.au/chaplaincy

Support for students with disabilities

We want everyone to have full access to all our programs and facilities. If you need any help, just get in touch with our Disability and Learning Access Unit.

federation.edu.au/disability

Student careers and employment

The Student Development and Employability team offer a range of events, programs and services enabling you to find work while you study, gain valuable work experience, plan for your future career and enhance your employment prospects.

federation.edu.au/studentcareerhub

Student Advisory Service

If you have concerns about your education at Federation.

federation.edu.au/studentadviser

Elite athlete, coach and performer university program

Our service lets you make flexible study arrangements so you can excel in both higher education and your sporting and performance goals.

federation.edu.au/elite-athlete

Multicultural Student Services

A hub for multicultural students. We run English language practice, social activities and excursions, cultural celebrations and personal welfare support.

federation.edu.au/multicultural-support

Bookstores

Find the book you're after at the Berwick, Gippsland, Horsham and Mt Helen campuses.

federation.edu.au/bookshop

Childcare centres

Federation childcare centres are located at our Mt Helen, SMB and Gippsland campuses. A number of external childcare centres are located within a short distance of the Berwick Campus.

federation.edu.au/childcare

Student Health

Health Centres are located on site at our Berwick and Mt Helen - Ballarat campuses, and a campus nurse at our Gippsland campus.

federation.edu.au/health-centre

Student Academic and Study Support

Our Student Academic and Study Support programs (SASS) provide support for each stage of your university experience.

- **FedReady** prepares you for study.
- **Mentor** program helps you settle into your university life.
- **PASS** is a study group of your peers to share knowledge and support.
- **ASK** is a group of skilled students ready to answer your questions.
- **Online tutoring** is free via Studiosity.
- **Learning Skills Advisors** provide individual and group study support.
- **Study Skills** website offers a range of free online resources.
- **Student blog** is where students share their study experiences and tips.
- **SWOTVAC** study day is run each semester with PASS and stress-busting activities.

federation.edu.au/sass

Student HQ

Student HQ provides support to future and current students, in person, online or over the phone. It is one central location on each campus where you can visit to get any assistance you need relating to your studies.

Phone **1800 FED UNI**,
Monday to Friday 9am – 5pm
email: info@federation.edu.au
ask.federation.edu.au

Scholarships, Bursaries and Grants

We offer a range of scholarships, bursaries and grants to reward academic achievement, help students in financial difficulty and assist with some of the extra costs of studying. Students at all campuses and study levels are able to apply – to check out the full range of support we offer, head to **[federation.edu.au/scholarships](https://www.federation.edu.au/scholarships)**

Student Accommodation

Make campus your home

Living on-campus you'll get to meet new people from a range of backgrounds, cultures and courses in a community as thriving as it is inclusive.

We offer a range of accommodation options located on or close to our campuses in Ballarat, Gippsland and Berwick and our dedicated Residential Support Team is here to provide support and make your success and happiness a priority.

federation.edu.au/fedliving

First year guarantee

FedLiving will guarantee a place in university accommodation to all new first-year applicants during your first year of study (eligibility and application guidelines apply).

Fees and inclusions

Living with us includes a range of amazing opportunities, new friends and lifelong memories. It also represents great value, which comes as a relief when you're trying to balance life and study.

Our accommodation options start from around \$170 per week, which includes all bills, internet, 24/7 access to residential support, various residential programs, events and activities.

Benefits of living on campus

Success

Federation University research shows students who live with us are more likely to succeed.

Friendship

Develop instant networks and lifelong friendships with a sense of community.

Opportunity

Amazing opportunities, planned experiences, activities and so much fun.

Support

24/7 support so you can enjoy a balanced living and learning community.

Convenience

For peace of mind and convenience residences are located on, or close to campus.

Experience Uni life

For most of us, university is about getting to that next level professionally and academically. But it's also about meeting new people, building connections and making memories. Here's how you can make the most of our vibrant student community.

federation.edu.au/starting-fed

Clubs and societies

Whether you're creative, spiritual, sporty or something else entirely, there's a club or society for you OR the ability and support to start your own club.

federation.edu.au/clubs

Student representation

The Student Senate works hard across all campuses to make sure your voice is heard. Elections are held annually for interested students to join.

federation.edu.au/studentsenate

Federation Alumni

When you graduate from Federation, you're still part of the family. Through our alumni community, you can connect with people from all over the world, share common experiences and discover new opportunities.

federation.edu.au/alumni

Golden Key Chapter

High achieving students may be invited to join the Golden Key Chapter.

Sport and recreation

Participating in our sport and recreational programs not only allows you to have fun and keep active, but also helps you to broaden your social network.

federation.edu.au/sport

Mt Helen Campus – The new and improved Health and Sports Precinct is now open. UniSports features community gymnasium, heated indoor 25 metre pool, indoor sports stadiums, active studio, tennis court and an outdoor multipurpose oval.

Latrobe Leisure Churchill – We have a fully equipped gym, pool and squash courts and multiuse courts adjacent to our Gippsland Campus.

Berwick Campus – You'll find a number of gyms close to the Berwick campus, with many offering student discounts.

Study Abroad and Exchange

Our Study Abroad and Exchange programs offer the chance to become immersed in a totally different environment. This enriching experience will enable you to see and do things you wouldn't expect, and meet people who have grown up in a different culture. When you study abroad, you have a unique opportunity to make friends with people from all kinds of different cultures, and learn about other countries and customs.

Eligible study abroad and exchange students from the University's official exchange institutions, are welcome to enrol in either one or two semester programs in a wide range of academic areas. Students gain academic credit at a host institution while remaining enrolled with Federation University.

federation.edu.au/studyabroad

Where do I start?

Making the right choice

No matter what stage you're at in life, you'll have many questions about university. We're here to help you make an informed choice that's right for you.

Don't know what to study?

Think about the following questions then discuss your options with us over the phone: **1800 333 864**

- What am I interested in?
- What do I enjoy doing?
- What are my values?
- What are my skills and strengths?
- What kind of career attracts me?
- What qualifications will I need to work in those areas?

Once you have a better idea of your options, you can find out more at **study.federation.edu.au**

View our publications at **federation.edu.au/publications**

Already know what to study?

Here's what you can do next:

- Visit us on campus – book a tour by calling us on **1800 333 864** or visit **federation.edu.au/visitfeduni**
- Come to an information session – head to **federation.edu.au/events**
- Hear from those who know best (our students) at **youtube.com/FedUniAustralia**

Information for parents

Finding the right career option advice for your children can be challenging, but not at Federation.

federation.edu.au/parents

Information for international students

No matter where you're coming from, you'll have the support you need to thrive at Federation.

federation.edu.au/multicultural-support

Deciding to apply

Once you've decided on what you want to study, your next step is to apply. Jump to the "Your next Steps" on page 61 to find out your application method and next steps.

Keep in mind you can apply for more than one course. If you don't get into your chosen course we can assist with alternative pathways or suggest different options.

If you need help at any point, call us on **1800 333 864** or email us at **info@federation.edu.au**

Study that suits your lifestyle

Different people. Different modes.

Our flexible study options mean you can study the way you like.
And as your life changes, so can your study mode.

On Campus

For the full university experience, study with us on campus.

Off Campus / Online

Study anywhere you like – your home, local library or even your small business – providing the perfect option if you have a lot to juggle. If you've got the motivation, we've got the support, so you can study when and where you choose.

Flexible delivery

It's a blend of online study with regular, scheduled on-campus classes. You might attend evening classes once a week, a few weekend classes, a one week block, or something similar, depending on the subject.

Time commitment: Full-time versus Part-time study

You should look at committing 10 hours per subject per week to your studies, which includes your own study time working on assignments and collaborating with your classmates.

Full-time students will typically take 4 subjects per semester.

Part-time students will typically take 2 subjects, meaning it will take a bit longer to complete your degree, but sometimes this is all that fits into busy lives!

Find the right balance between your studies, work, family and any other commitments. Whatever the study mode and whatever your time commitment, the course is the same – so choose what works best for you.

"As part of my Bachelor of Business (Marketing and Human Resource Management) degree, I completed a placement at the Fiona Elsey Cancer Research Institute. The placement was structured so I was able to gain real industry experience while playing a critical role in the team. I assisted the Marketing and Events team in organising the Ballarat Cycle Classic – a large annual charity event with all proceeds going directly towards cancer research. I developed skills in managing an event with over a thousand participants and multiple community stakeholders."

Ryan Moore Marketing Intern
Fiona Elsey Cancer Research Institute

Work Integrated Learning and Industry Placement Program

Across all programs and courses at Federation, Work Integrated Learning (WIL) may be real or simulated and can occur in the workplace, at the University, online or face-to-face. Other opportunities include voluntary placements, industry-based projects, simulated work experiences and Federation's Industry Placement Program (IPP) where students undertake a placement of up to 26 weeks with a host organisation in the same field as their studies. federation.edu.au/wil

A placement is a smart way to boost your employability and meet the kind of people you'll be working with in the field. With our strong connections, we partner you with leading businesses and organisations. Various scholarships are available to assist students on placements. federation.edu.au/scholarships

Industry Placement Program - Financial support

Balancing study and placement can be hard to juggle financially, so we offer IPP students an organisation-funded scholarship of up to AUD \$15,000. To join this program, you'll need to have 30 credit points available in your degree. federation.edu.au/ipp

Pathway courses

A different approach to your dream career

We offer foundation, TAFE, undergraduate, postgraduate and research courses. Though we're all about next level education, Federation has a number of pathway programs for people who haven't completed Year 12 or have no work experience.

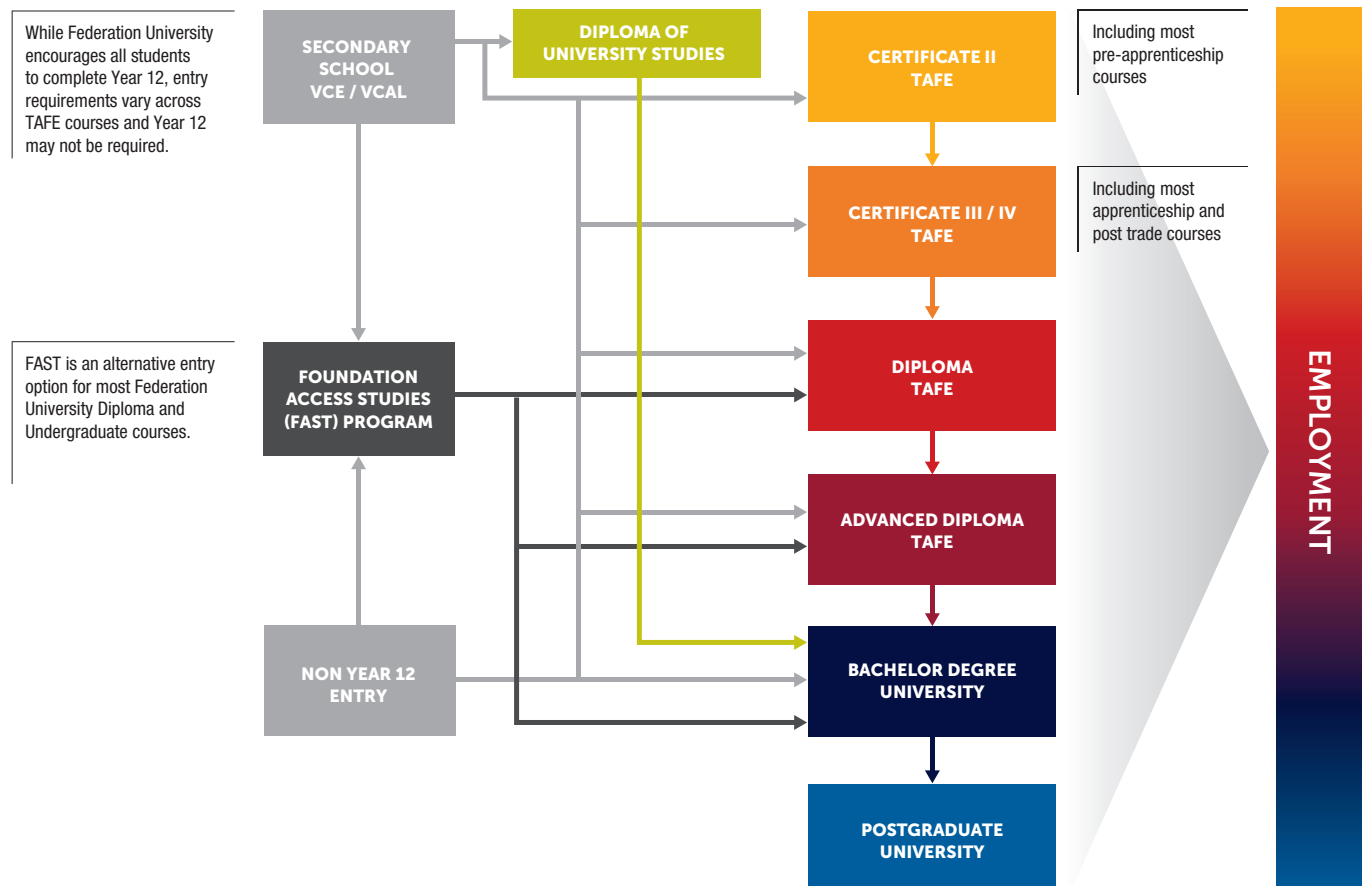

Foundation Access Studies (FAST) Program

FAST is designed to teach you how to study effectively, including how to write for academic purposes, how to research, how to use university systems and how to apply all of these skills to your study. When you successfully complete FAST, you will be ready to undertake degree level study at Federation. But best of all, when you have successfully completed FAST, we will guarantee you a place in one of our undergraduate degrees.

LOCATION	DURATION	ATAR	APPLICATION
Ballarat, Berwick, Gippsland, Online	0.5 years	Not required	VTAC / Direct
ENTRY REQUIREMENTS Units 1 and 2: satisfactory completion in two units (any study combination) of Maths: General Mathematics or Maths: Mathematical Methods or Units 3 and 4: any Mathematics; Units 3 and 4: a study score of at least 18 in any English.			
ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience		ESSENTIAL REQUIREMENTS Personal Statement. See study.federation.edu.au	

Education; Engineering; Information Technology; and Sport and Outdoor Education pathway courses exist as part of the **Diploma of University Studies**. For further information view the relevant area of study in this publication.

Admission pathways

Are you eligible for credit?

Having completed a TAFE program, you may be eligible for credit into a degree within a similar field of study. Below is a list of some of our more popular pathways, and an indication of likely credit.

[federation.edu.au/tafe-to-uni](https://study.federation.edu.au/tafe-to-uni)

TAFE QUALIFICATION / DEGREE	DEGREE	POSSIBLE CREDIT PERIOD

Belinda Hannan
Bachelor of Education (Primary)

Bachelor of Education Studies

If you did not meet the entry requirements to commence a teaching degree, this course is for you. At the completion of first year, you may be eligible to apply for a transfer into the second year of a Federation teaching degree. This means that you may still qualify as a VIT registered teacher within 4 years of study. Otherwise continue this course and qualify to work in many roles as an Education Officer, Project Officer or Education Support Officer (Integration Aide) working to support students within a school setting.

ENTRY REQUIREMENTS (NON-YEAR 12)		PROFESSIONAL RECOGNITION	
Higher Education, VET and/or Work/Life Experience		Professional Engineer, Engineers Australia	

"After graduating from Federation University, I commenced work with Rio Tinto in Western Australia in the drill, blast and survey team before moving into mine scheduling. I'm now working in a mine planning role in Brockman 2/Nammuldi/Silvergrass operations, the biggest Rio Tinto Iron Ore site for Total Material Movement.

When I started at Rio Tinto, many were impressed about the mineral processing I had studied during my Bachelor of Engineering (Mining) degree at Federation. This has really helped me thrive in the workplace and I'm extremely grateful to have gained this extra knowledge while at university."

Aaron Reed

Bachelor of Engineering (Mining) (Honours)

Bachelor of Engineering (Mechanical) (Honours)

Become a professional engineer who is an expert in planning, design and management. Invent new products, design innovative machines and change the way humans interact with mechanics. Learn about electric circuits and machines, thermodynamics and industrial robots. In final year, pursue your interest by choosing a research project to advance your skills and knowledge.

LOCATION	DURATION	GUARANTEED ATAR	APPLICATION
Ballarat	4 years	60	VTAC / Direct
ENTRY REQUIREMENTS			
Units 3 and 4: a study score of at least 20 in Maths: Mathematical Methods or at least 20 in Maths: Specialist Mathematics; Units 3 and 4: a study score of at least 20 in any English.

Humanities, Social Sciences and Criminology

Bachelor of Arts

Develop a critical perspective and the transferable skills employers are seeking as you prepare to take a leading role in work and society. Choose from six majors: History, Indigenous Studies, Literature, Media and Screen Studies, Sociology and Writing, and minors in Community and Human Services, Criminal Justice, and Education Studies. Career opportunities include working in government and the public service, curating museum collections, journalism or freelance writing, project management, media, social research, and many other fields.

LOCATION	DURATION	GUARANTEED ATAR	APPLICATION
Ballarat, Berwick, Gippsland, Online	3 years	50	VTAC / Direct
ENTRY REQUIREMENTS		ENTRY REQUIREMENTS (NON-YEAR 12)	
Units 3 and 4: a study score of at least 20 in any English.		Higher Education, VET and/or Work/Life Experience	

Bachelor of Arts (Humanities) (Honours)

This fourth-year course often serves as a prelude to a higher degree in research or advanced professional practice in careers that entail complex research work. It will prepare individuals for professional or research work in the disciplinary field of their preference by providing training in theory, methodology and epistemology. This Humanities stream involves study in History, Literature, Writing, Media and Screen Studies, Indigenous Studies and Philosophy.

LOCATION	DURATION	ATAR	APPLICATION
Ballarat, Gippsland	1 year	Not required	Direct
ESSENTIAL REQUIREMENTS			
Submit Research Proposal form. See study.federation.edu.au			

Bachelor of Social Science

Develop a broad set of essential communication and research skills, that will prepare you for careers both locally and across the globe. Your career could see you in roles as diverse as community work, local government, tourism, small business, community development, or as a historian. The program covers key areas of social science and its applications. You will develop your academic writing and research skills, gain a deeper understanding of history, society and the global environment. You will build skills that position you well to succeed in your chosen field.

FLEX Flexible delivery is a blend of online study with regular, scheduled on-campus classes.

Performing Arts, Visual Arts and Design

Bachelor of Visual Arts

You will develop the skills to create your own future in the diverse creative industries. Our Arts Academy has specialised facilities for you to work in ceramics, drawing, printmaking, photography and painting. You will also explore your studio-based practice through workshops of experimentation and self-discovery. All intensive teaching staff are practicing artists and designers with outstanding reputations both in Australia and internationally.

LOCATION Ballarat	DURATION 3 years	ATAR Required	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any English.		ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience	
ESSENTIAL REQUIREMENTS Interview and folio. See study.federation.edu.au			

Bachelor of Fine Arts

Become a professional artist and study ceramics/3D, drawing, printmaking, painting, digital art, multi-dimensional art. Undertake subjects in both two-dimensional and multi-dimensional studios, as well as digital art and the history and theory of art and design. In the final year, you will propose a self-directed project incorporating research and contemporary art practice, supported by staff from a number of specialist studios.

LOCATION Gippsland	DURATION 3 years	ATAR Required	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any English.		ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience	
ESSENTIAL REQUIREMENTS Supplementary application form, folio presentation, interview. See study.federation.edu.au			

Arts Academy graduate Josh Piterman has become renowned for his musical talents on the world stage, recently landing the title role in *The Phantom of the Opera* on West End.

He has performed in the UK's touring production of *Hairspray* and *Cats* where he won the Green Room Award for Best Supporting Actor in a Musical.

"This has been my dream role since I can remember. It's like nothing else. It's so rich, so full of depth and such a thrill to sing. Add to that, the fact that I'm performing on the same stage in the same theatre with the same set that Michael Crawford used when the show opened back in 1986, it really is so special. I'm constantly pinching myself."

Josh Piterman

Arts Academy graduate

Bachelor of Performing Arts

Our Arts Academy is renowned for its holistic and multi-disciplinary approach to training contemporary performers. We develop your practice through a comprehensive curriculum that includes classes in acting, singing, voice, movement, dance, creativity, theatre-making, aerobic fitness and mindfulness. You will be prepared for a range of career opportunities in television and theatre, music theatre, opera, film, cabaret, comedy and multi-media performance.

LOCATION Ballarat	DURATION 3 years	ATAR Required	APPLICATION VTAC / Direct
ENTRY REQUIREMENTS Units 3 and 4: a study score of at least 20 in any English.		ENTRY REQUIREMENTS (NON-YEAR 12) Higher Education, VET and/or Work/Life Experience

Home to our unique Arts Academy, a purpose-built centre for performing and visual arts, Camp Street Campus encourages and facilitates creativity of all kinds, and plays an important role in Ballarat's thriving arts and culture scene.

Psychology

When you study Psychology at Federation University, you will acquire the knowledge and skills you need for the career you want. Our study options and smaller class sizes provide the opportunity to learn, develop, and apply skills that will be valuable in your professional and personal lives. This includes oral and written communication, research, and high level problem solving and critical thinking skills.

Importantly, we understand that you want to be a name, not just a number. When you study Psychology at Federation University, you will be in a highly supportive environment, as demonstrated by our number 1 ranking for student support from psychology graduates across all Victorian public universities.

Bachelor of Psychological Science

This foundation course delivers fundamental knowledge, theory and understanding of different aspects of psychology. Explore a range of subjects to examine complexities of human thought and behaviour, including developmental psychology, cognitive psychology, social psychology, abnormal psychology, and personality.

At our new state of the art Health and Sports Precinct, our students develop their practical and clinical skills in a high-quality learning environment.

Offering the ideal backdrop to extend our world-class research, these facilities also provide sports science students with commercial experience in the student-led clinic and community gymnasium.

The updated anatomy and physiology laboratories also supports learning and teaching in health related programs such as exercise science, physical education, nursing, paramedicine and biomedical science.

Higher Degrees by Research

Research with Impact

From preventing injuries in Australian football to using our genetic codes to tailor treatments for high blood pressure and heart disease – research at Federation University Australia makes a difference in the real world.

Ranking well above global standards, our research has received the highest possible five-out-of-five rating in seven areas under the Excellence in Research Australia (ERA) results.

ERA 2018 RESULTS		
	SPECIFIC FIELDS OF RESEARCH (4 DIGIT FoR CODE)	BROAD FIELDS OF RESEARCH (2 DIGIT FoR CODE)
 RATING 5 WELL ABOVE WORLD STANDARD	Applied Mathematics Environmental Science and Management Civil Engineering Clinical Sciences Human Movement and Sports Science Nursing	Environmental Sciences
 RATING 4 ABOVE WORLD STANDARD	Artificial Intelligence and Image Processing	Medical and Health Sciences
 RATING 3 WORLD STANDARD	Pure Mathematics Education Systems Sociology Psychology Historical Studies	Mathematical Sciences Information and Computing Sciences Studies In Human Society Psychology and Cognitive Sciences

In Australia and overseas we work with research bodies and industries, as well as other leading universities. And while our research has national and international significance, we also focus on regional matters close to our heart.

Powered by outstanding people, our research helps build the communities we're proud to be part of.

Research Priority Areas and Emerging Research Areas

We bring together groups and teams of world leading researchers from multi-disciplinary and cross-disciplinary backgrounds into highly-focused centres of research endeavour. Our current research priorities are:

1. Health and Wellbeing
2. Society and the Environment
3. Virtual, Digital and Computational Environments

We also recognise our emerging areas of research strength. We are seeking to expand the volume of world class research in broad discipline areas including:

1. Education
2. Engineering
3. History and Archaeology
4. Commerce, Management, Tourism and Services

Let's talk about the cost

Everything you need to know

University fees. For most of us, they're simply part of the deal. But how much will they set you back? And what kind of payment options are available? We're here to help with any questions you have, or financial advice you need. Because when you're on top of your finances, it's much easier to focus on your studies and make the most of your time here with us.

Higher education fees

All our undergraduate (Bachelor) courses and some postgraduate courses offer Commonwealth Supported Places (CSP). This means if you're enrolled in an eligible course as a domestic student, the Australian Government makes a contribution towards the cost of your education. All you need to do is pay the Student Contribution Amount (SCA).

How much is your student contribution?

This is based on 'bands' and varies depending on what you're studying. You'll be invoiced each semester and will only be charged for the subjects you enrol in during this time. For further information visit studyassist.gov.au/

Payment options

About HECS-HELP

This government loan scheme allows you to defer payment of all or part of your Student Contribution Amount. The loan is then repaid via the Australian taxation system once you've reached the compulsory repayment threshold which is set by the Australian Government each year.

Am I eligible?

If you're an Australian citizen, Permanent Humanitarian Visa holder, or New Zealand citizen Special Category Visa holder – and you meet all the criteria – then you'll be eligible for HECS-HELP. If not, you'll need to make full upfront payment by semester census date.

For more information, head to federation.edu.au/studentfees or studyassist.gov.au. You can also call us on **1800 333 864** and chat to our Student Finance team.

Postgraduate fees

These are course-based annual fees and will vary depending on your degree and study load. If you're a domestic fee-paying postgraduate student, you can find out your course's annual fees at federation.edu.au/fees

About FEE-HELP

If you're eligible, this government loan scheme allows you to defer payment of all or part of your tuition fees. The loan is then repaid via the Australian taxation system once you've reached the minimum threshold. You can also make lump sum payments to the Australian Tax Office (ATO). If you're not eligible, you'll need to make full upfront payment by semester census date.

For more information, head to federation.edu.au/studentfees or studyassist.gov.au. You can also call us on **1800 333 864** and chat to our Student Finance team.

Higher Degrees by Research

If you're a domestic student enrolled in a Higher Degree by Research course, you'll be supported by a Research Training Program (RTP) fee-offset place, which covers your tuition fees for three years, by the Australian Government. More info: federation.edu.au/research

Additional costs

There may be other costs on top of your tuition fees, such as textbooks and materials. These vary between TAFE, undergraduate and postgraduate courses. For example, TAFE courses tend to have more material costs as they're more practical.

Moving away from home? Then it's important to think about living expenses too, such as rent, electricity, gas, water, food and phone bills – just so you can make a budget and stick to it.

Financial Information

At our Ballarat, Berwick and Gippsland campuses, our Student Financial Support Officers can help you out with everything from personal budgeting and referrals to financial aid organisations, to emergency aid, student grants and student loans.

To book an appointment, phone Ballarat **03 5327 9470** or Berwick and Gippsland **03 5122 8945**

For more information head to:

federation.edu.au/financialsupport

Student Services and Amenities Fee (SSAF)

This fee provides funding for services and amenities such as sporting and recreational activities, employment and career advice, child care, financial advice and food services.

We calculate this fee based on your enrolment within the calendar year, and charge it progressively for each semester. If you're having trouble paying this fee – and you're eligible – the SA-HELP loan scheme can help with paying all or part of it.

Find out more information about the SSAF at federation.edu.au/fees/ssaf or studyassist.gov.au

VET (TAFE) fees

For information on VET (TAFE) fees, your first port of call is online at federation.edu.au/tafe

Higher education applications explained

What applicant type are you?

This will determine how you need to apply, and what you should include with your application.

Are you a current Year 12 or recent secondary student?

You are currently completing an Australian Year 12, within Australia or overseas, or completed Year 12 in 2019 or 2018, with no further study. Your application will be assessed based on your Year 12 results, including your adjusted ATAR which factors in considerations based on SEAS or subject adjustments, and any 'essential requirements' detailed in study.federation.edu.au. We can usually access your Year 12 results; you do not need to provide us with a copy.

Are you a non-year 12 applicant?

You previously studied all or part of a Higher Education (University level) program, have completed VET (TAFE) studies at Certificate III level or higher, or have 'work and life experience'.

We will consider all your previous studies and experience when reviewing your application, along with any 'essential requirements' detailed in study.federation.edu.au.

Your application must include evidence of any previous studies, your CV detailing work and relevant volunteer experience, and completed 'essential requirements' where applicable.

Are you an international applicant?

You are an international applicant if you are not the holder of Australian or New Zealand Citizenship, Australian PR or a Permanent Humanitarian Visa.

International applicants studying VCE in the year of application should refer to the advice provided for current Year 12 students.

All other international applicants should refer to federation.edu.au/international

What are 'essential requirements'?

In addition to your application, some courses have essential requirements, such as auditions, entrance tests or interviews.

You must complete this to be considered for an offer.

Refer to the individual course entries to check if any apply to the course you intend applying for.

What is an 'adjusted ATAR'?

This is where additional points are added to your ATAR aggregate, increasing your rank accordingly. These adjustments include subject adjustments, where points are added based on achieving minimum scores in identified subjects, and may also cover access and equity factors which are applied for via SEAS (Special Entry Access Scheme) applications lodged through VTAC.

What are 'guaranteed ATARs'?

As the minimum ATAR varies each year, driven by the popularity of a course, the performance of applicants, and the number of offers made, we provide a 'guaranteed ATAR' for most courses, so you can plan with confidence. If your ATAR is equal to or above the published guaranteed ATAR, and you meet all other entry requirements, we will guarantee you an offer for that course. It is important to note that it is not a minimum ATAR, or an ATAR 'cutoff' – if your ATAR is below this, you may still receive an offer. View our guaranteed ATARs via federation.edu.au/atar

Consideration on equity grounds

We believe all students should have equal opportunity.

Year 12 applicants should look at the Special Entry Access Scheme (SEAS) at vtac.edu.au/seas to see what special circumstances may apply to them (i.e. disability or financial disadvantage).

Check the potential impact a SEAS application could have on your ATAR with our online SEAS calculator, and get an estimate of your adjusted ATAR: federation.edu.au/seas-calculator

Non Year 12 applicants who feel their education was impacted by disadvantage can ask for this to be considered in their application. Learn more via federation.edu.au/seas

How do you apply?

Some applicants must apply via VTAC, some must apply directly to Federation, and some may choose between the two:

- Those applying to study with more than one institution:
VTAC
- Current Year 12 applicants applying for courses listed in VTAC:
VTAC
- Recent secondary applicants applying to study only with Federation:
VTAC or Fed Direct
- Non-year 12 applicants applying to study only with Federation:
VTAC or Fed Direct
- Those studying VCAL or the International Baccalaureate (IB) in Victoria:
VTAC
- Applicants for courses not listed in VTAC:
Fed Direct
- Applicants for mid-year entry:
Fed Direct

Deferring (put your studies on hold)

Do you want to study, but need some time away first?

Most of the time you'll be able to defer your offer in an undergraduate course for up to one year, but for some courses this isn't possible.

Check [federation.edu.au/defer](https://www.federation.edu.au/defer)

Have questions, queries or concerns?

We are here to support you through the application process.

We can help you navigate entry requirements, determine the right starting point for you, discuss pathway options, and can point you to study support programs that you can access prior to and throughout your studies.

Call us on **1800 333 864** or chat with us online [ask.federation.edu.au](https://www.federation.edu.au/ask)

Your next steps

Ready to go? Just follow these steps and you're on your way

Step 1

Check the entry requirements, which may include specific VCE units or a previous qualification.

- Year 12 students need to meet VTAC Entry Requirements that may include achieving specified scores in pre-requisite subjects and ATAR.
- Non Year 12 students may need to have completed pathway programs or other studies, or have a significant level of relevant experience to gain admission.

study.federation.edu.au

Step 2

Check for any essential requirements that you need to complete in addition to your application. Essential requirements may include auditions, tests or interviews.

study.federation.edu.au

Step 3

Complete your application to study with Federation; all applications are submitted online.

Applying through VTAC

vtac.edu.au | 1300 364 133

All VTAC applications are submitted online.

Apply Directly

Federation TAFE can be the direct pathway into the career of your dreams – or just the start of your post-secondary education.

We've been providing vocational education to Western Victoria for 150 years and offer a full range of TAFE programs, from single day short courses and 12 week skills focused pre-apprenticeships, to full apprenticeships and traineeships, and full time study based courses.

Why Federation TAFE?

Great teachers

You'll be learning from some of the best in their field. Our teachers have come from across industry including the trades, early childhood and community services, disability and education support, information technology, design, business, beauty and health. They know what it is like starting out and how to get ahead.

Great facilities

Our Building and Construction Training Centre and Manufacturing and Engineering Skills Centre have been designed to replicate trade industry environments and help our TAFE students meet the challenges of the workplace head on. From drainage sandpits to circuitry, every trade has its own specialised training space. There's also a hairdressing and beauty salon, commercial kitchens, training restaurant and automotive workshops.

Great connections

Thanks to our experienced teachers and long-standing relationships in the trade training business, we've built strong links with local industries and businesses. Like so many others before you, this makes your chances of turning your pre-apprenticeship into an apprenticeship much higher.

For information on all TAFE courses visit federation.edu.au/tafe

KEY STUDY OPTIONS

Nursing			*	*

TAFE Diploma and Advanced Diploma pathways exist with credit
(see Pathways/alternate entry information for each course at study.federation.edu.au)

There's more
than one way

Choose your path here

We welcome students from all backgrounds, life stages and education levels. And we firmly believe there's more than one way to get the qualification you need to jumpstart your career.

We offer foundation, TAFE, undergraduate, postgraduate and research courses.

A different way in

Some of our students may not immediately meet entry requirements – that's why we've designed new pathways for students from every walk of life.

VCAL at Federation College

If you haven't completed VCE and you're aged above 15, then you can complete VCAL – a hands-on learning qualification. It's designed to re-engage students who would like a different secondary schooling pathway.

Foundation VCAL has a strong emphasis on literacy and numeracy. As an Intermediate VCAL student, you'll keep developing your knowledge and employability skills. Senior VCAL students can choose to continue their studies through Federation TAFE or FAST.

federation.edu.au/schools/federation-tafe/federation-college

P-Tech

The P-TECH program provides students with the skills and support required to successfully navigate the transition from school to work or university. Students will leave Federation College as skilled candidates for jobs or further education.

Industry learning experiences and workplace visits help students to identify career interests and further study options. P-TECH prepares students for higher education and the workplace earlier than is typical. P-TECH students are well equipped for a range of careers or university degrees.

federation.edu.au/ptech

TAFE

TAFE is an amazing career pathway – but did you know you can also use it as a stepping stone towards higher education studies? Many of our study only TAFE options provide a great pathway into relevant bachelor degrees.

federation.edu.au/schools/federation-tafe

FAST

Guarantee yourself a place with Federation through our FAST course (Foundation Access Studies), and start the journey towards your dream degree. FAST helps you brush up on your study skills – whether you've just finished Year 12 and don't have the entry requirements you need, or you're a mature student looking to re-enter studies.

When you've successfully completed the program, you're guaranteed a place in a Federation degree perfect to your skillset (some credit may apply). See page 16 of this guide for further information.
