AT FLINDERS IT'S

ALL ABOUT YOU

CHOOSE YOUR DEGREE

From medicine to business, science or arts offerings, Flinders University offers more than 500 undergraduate, postgraduate and research degrees taught by global and national experts focused on the experience and outcomes of their students.

BE TAUGHT BY LEADERS

At Flinders, you'll be taught by teachers who are leaders in their fields. They are plugged into industry trends and connected to professional networks. Your future career will take practical shape from the very beginning of your studies as we guide you from the classroom to the workplace through inspired teaching, practical placements, internships, field education and industry projects.

BENEFIT FROM WORLD-CLASS RESEARCH

Flinders University's research strengths include biomedical and clinical sciences, culture, policy and society, health and medicine, mental health and human behaviour, molecular science and technology, defence, engineering, water and environment. With 90% of Flinders' research rated world-standard or above,* your studies will be supported by the up-to-the-minute knowledge of highly skilled researchers and lecturers.

* Flinders rating 89.7%, rounded up to 90%. Excellence in Research for Australia, 2018

GET THE SUPPORT YOU NEED

Flinders is SA's No.1 university for student support.** From campus facilities to financial support, mental health and wellbeing resources and services, student grants, counselling services (including careers and financial) and many social opportunities, we offer a range of services to ensure your study experience is everything you want it to be. Find out more about student support on page 49.

** The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

EXPERIENCE A UNIVERSITY LIKE NO OTHER

Our geographic footprint stretches from the top of the Northern Territory through to South Australia and regional Victoria. Internationally, joint courses are delivered with leading universities in China, Hong Kong, Malaysia, Singapore and Indonesia. Our main campus at Bedford Park is an environment that fosters creativity. Sitting in stunning natural surrounds, it boasts spectacular views to the city and coast and features an award-winning, state-of-the-art student hub that fosters interactive learning in a digitally enabled environment.

JOIN A GLOBAL COMMUNITY

Flinders University graduates are enterprising, innovative and curious thought leaders in over 120 countries around the world. When you graduate from Flinders, you'll not only join over 106,000 graduates from an amazing variety of fields, you'll graduate from SA's No. 1 university for starting salary.**

** The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

GAIN REAL-WORLD EXPERIENCE

Flinders Work Integrated Learning (WIL) enables you to gain work experience while you study. You'll have the opportunity to gain real-world experience through placements, practicums, field studies, and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

THINK BIG. MAKE AN IMPACT. DESIGN YOUR FUTURE.

Careers are evolving and the workplace of the future will look very different from today. Powered by Flinders' New Venture Institute, our suite of innovation and enterprise electives and courses will help you to develop the 'personal enterprise skills' that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally. No matter what you choose to study at Flinders, you can embed an innovation and enterprise elective into your degree.

TAKE YOUR STUDIES OVERSEAS

Why wait until you graduate to explore the world? Flinders' Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle.

"My exchange was honestly one of the most amazing and rewarding six months of my life. The friends I made, the things I saw and experienced will stick with me for the rest of my life."

Rebekah Jones

Canada

EXPLORE FLINDERS SCHOLARSHIPS

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 550 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas and Indigenous students, you may be eligible for support that will help you achieve your goals at university.

"The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree."

Ryan Rowston, Bachelor of Computer Science

Wyndham Richardson Scholarship Fund

FLINDERS VILLAGE

\$1.5 billion development

Centred around the new Flinders Train Station (due to open early 2021) and directly connecting the University's main campus to its Tonsley innovation precinct and the Adelaide city centre, the \$1.5 billion Flinders Village development will create a campus environment which merges university life with the wider community.

Flinders Village will feature student accommodation, an advanced health research facility, transitional health accommodation, a hotel, and amenities such as retail facilities, benefitting students, staff and the community.

Community-centred student living

Flinders Station links Bedford Park to Tonsley and the city

GUIDE YOUNG MINDS TO
AMAZING FUTURES

TEACHING

OPEN MINDS

STUDY EDUCATION AT FLINDERS

Think about your most inspiring teacher... how they made you feel.
You could become that teacher.

EXCITE AND IGNITE YOUNG IMAGINATIONS

We need more educators. We need people who will guide and teach the next generations of Australians. A career in education is a career filled with inspiration and a sense of achievement. This is your chance to build the future.

A REWARDING CAREER

Education is a fast-growing sector, with great job opportunities. With over one million people already employed, Australia's education and training sector is projected to grow by 12% by 2022.* Becoming an educator means joining an industry with long-term career prospects.

STUDY FOR SUCCESS

Flinders is one of the largest providers of education courses for teachers in South Australia. By studying with us, you'll graduate job-ready, prepared to inspire and help students go beyond the ordinary.

*Australian Jobs 2018

No.1 in SA

in Teacher Education for full-time employment, learner engagement, overall quality of educational experience and teaching quality

The Good Universities Guide 2020 (postgraduate), public SA-founded universities only

Bachelor of Education (Early Childhood)

Be the difference in the lives of young children.

Become an early childhood teacher and learn, work and play alongside children from birth to eight years. You will develop a deep knowledge about how young children learn and develop, and the important role of the early childhood teacher in working with children, families and the community. Early childhood teachers are in demand, and you can be the difference in the everyday lives of the children and families you work with.

- The course is taken as a double degree, either with a Bachelor of Arts or Bachelor of Special Education.
- You will qualify to work with children in early childhood and early years of school settings.
 - You will gain rich experience with 95 days on placement working with children.
 - You will combine in-depth study in early childhood education with studies in a Bachelor of Arts or a Bachelor of Special Education.
 - Upon successful completion (including Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration as an early childhood teacher with the Teachers Registration Board of South Australia.

CAREER OPPORTUNITIES

Your degree will give you a range of employment opportunities, including:

- early childhood teacher in early childhood settings, including preschools (Birth – 5)
- early childhood teacher in the early years of school (Reception – Year 2)
- school support officer.

Potential employers include:

- long day care settings
- preschools
- schools.

* Teaching Capabilities Statement. See page 11 for more details.

Bachelor of Education (Primary R-7)

Becoming a primary school teacher can have a lifelong impact.

A child's primary years are often the ones they remember the most intensely, and their primary school teachers can have a profound effect on their lives. From Reception to Year 7, you'll watch them grow into amazing individuals, and you'll be there to help them take advantage of every moment. Their questioning, challenging nature will inspire you as much as your dedication and enthusiasm will inspire them.

“Flinders stood out for me because it has a strong focus on developing education courses. I am learning from academics who are accomplished and have attained mastery within their respective fields.”

Anthony Salerno,
Bachelor of Education (Secondary)/
Bachelor of Science

Bachelor of Education (Secondary)

Help guide young adults towards the future.

Secondary school years are an incredible time for young people, a time when they begin to see their futures start to form. If you're passionate about helping others, about guiding and advising them at a crucial period of their lives, then you'll find a career as a secondary school teacher rewarding in many ways. Help young adults take the steps they need to succeed.

- This course is taken as a double degree with a Bachelor of Arts, Bachelor of Health Sciences, Bachelor of Languages, Bachelor of Science or Bachelor of Special Education.
- You'll gain the knowledge and skills required to start a career as a teacher in secondary school.
- In just four years, you'll earn a double degree that includes an education degree combined with an arts, health sciences, languages, science or special education degree.
- You'll graduate work-ready, with teaching placements in secondary schools where you can learn practical skills, put theory into practice, and develop important relationships with students, parents and colleagues.
- Upon successful completion you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities.

Potential occupations include:

- secondary teacher
- industry educator
- youth and children's support officer.

Potential employers include:

- secondary schools
- government schools
- independent schools
- government education departments.

See the inside back spread for more information on your admission pathways, opportunities to enhance your degree, and how to apply.

* Applicable to all Bachelor of Education (Secondary) double degrees

* Teaching Capabilities Statement. See page 11 for more details.

Bachelor of Education (Secondary) /Bachelor of Health Sciences

Enhance your secondary teaching with a health sciences specialisation, including a major in physical education.

Take your interest in a healthy lifestyle into the classroom. This degree will give you the knowledge and skills required to register as a PE teacher in secondary school. The course is taken as a double degree with a Bachelor of Health Sciences, providing core health sciences topics and a choice from one of two specialisation options. This is your chance to use your passions to help others. A long-term career in secondary school teaching is challenging and rewarding.

Potential employers include:

- secondary schools
- government schools
- independent schools
- government education departments.

Succeed in Education

We understand that everyone is different, so Flinders provides a variety of pathways for students who are thinking about studying to become teachers.

Bachelor of Education double degrees

At Flinders, most students who want to become teachers study a four-year double degree. A double degree enables you to focus your studies in an area that suits your interests.

Inherent requirements

The Australian Government has introduced the Literacy and Numeracy Test for all initial teacher education students to ensure they have the high level of personal literacy and numeracy skills required of teachers. For further information, including registration details, please check the test administrator's website at: [testredtest.acer.edu.au](https://www.testredtest.acer.edu.au)

For further details and additional inherent requirements visit: flinders.edu.au/study/courses/education-inherent-requirements

Entry requirements

All prospective students interested in studying an initial teacher education course in South Australia are required to complete a non-academic assessment task known as a Teaching Capabilities Statement. This is a requirement of the Australian Institute for Teaching and School Leadership (AITSL) and supports the national priority to ensure those entering the teaching profession have the personal qualities to best support learners and graduate as classroom-ready, high-quality teachers.

The Teaching Capabilities Statement will be requested as part of the application process through SATAC.

flinders.edu.au/study/courses/teaching-capabilities-statement

Bachelor of Sport, Health and Physical Activity

Turn your enthusiasm for sport and health into an active career.

This degree will see you graduate with the skills to become an effective professional in sport and physical activity careers, and give you a wide knowledge base in areas including health, tourism, nutrition, disability and business. You'll develop an understanding of the impact of sport and physical activity in the context of a healthy lifestyle and prepare yourself for a range of roles within the sports industry.

| ADJUSTMENT FACTORS | Yes | |

See the inside back spread for more information on your admission pathways, opportunities to enhance your degree, and how to apply.

- Your studies will prepare you for a career in the sport development, sport coaching, leisure, health, sport and event management industries, and provide a pathway to further studies in physical education teaching through the Master of Teaching courses.
- You'll become an effective sport and physical activity professional and advocate.
- You can choose unique topics in high performance sports coaching, outdoor education and exercise in musculoskeletal physiology.
- There are opportunities to take your studies overseas with a student exchange program.
- You'll develop important contacts and networks with local and national sporting clubs, associations, and health and tourism marketing organisations.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- association and clubs development officer
- umpiring coordinator
- council sport and recreation officer
- sport coach
- sport development officer.

Potential employers include:

- Bicycle SA
- City of Onkaparinga
- Gray-Nicolls Sports
- Office for Recreation and Sport
- Tennis South Australia
- SANFL.

Bachelor of Sport, Health and Physical Activity (Outdoor Education)

Make a career in outdoor education.

Prepare for a broad range of employment opportunities in the sport development, sport coaching, leisure, health, outdoor education and recreation, and sport and event management industries. This degree will help prepare you for a career working with people in a range of environments. With increasing demand for outdoor education teachers, The Bachelor of Sport, Health and Physical Activity (Outdoor Education) aims to provide you with an understanding of the significance of outdoor recreation, adventure, sport and physical activity within the context of a healthy lifestyle. You'll develop a wide knowledge base by combining the study of outdoor education and recreation with sport and physical activity, as well as other areas including health, nutrition, tourism and business.

See the inside back spread for more information on your admission pathways, opportunities to enhance your degree, and how to apply.

- You'll engage with a range of outdoor environments and become an effective professional in outdoor education, sport and physical activity.
- Learn to safely lead activities such as bushwalking, rock climbing and a range of other outdoor pursuits.
- The degree introduces you to the diversity across fields of outdoor education and recreation, sport and physical activity.
- You'll develop contacts and networks with local and national outdoor providers, sporting clubs, associations, and health and tourism marketing organisations.
- There are opportunities to take your studies overseas with a student exchange program.
- You'll complete an industry placement/project in final year and engage with a range of operators through work integrated learning during your studies.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- tourism and adventure park (operators and facilitators)
- PE and OE teaching*
- government (advisory and operations roles)
- corporate activity facilitation and development (team building)
- associations and club development
- council sport and recreation management
- coach or development officer.

Potential occupations include:

- association and clubs development officer
- outdoor leader or educator
- umpiring coordinator
- council sport and recreation officer
- sport coach
- sport development officer.

*by continuing on to a Master of Teaching

"No other university in Adelaide offers a sporting degree that offers a broad range of topics that allows students to find their key areas of interest and provides a vision for their future."

Benjamin Drogemuller,
Bachelor of Sport, Health and Physical Activity

GET MORE OUT OF YOUR STUDY

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees.

flinders.edu.au/combineddegrees

Bachelor of Letters

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

The Bachelor of Letters is available in the following disciplines:

- Archaeology
- Creative enterprise
- Creative writing
- Criminology
- English
- Health
- History
- Innovation and enterprise
- Languages (French, Italian, Modern Greek, Spanish)
- Mathematics
- Sports performance coaching
- Theology.

The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

BEGIN YOUR JOURNEY TO A SUCCESSFUL CAREER

Bachelor of General Studies

The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Flinders University Student Association

The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Yunggorendi Student Engagement

Yunggorendi Student Engagement provides high quality support services for Aboriginal and Torres Strait Islander students at Flinders University. Our team of highly qualified Indigenous and non-Indigenous staff connect to Indigenous and non-Indigenous communities on local, national and international levels.

PATHWAYS TO STUDY

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

If you have recent secondary education

Year 12 Entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

uniTEST

If you're in Year 12, uniTEST may enhance your chances of getting into Flinders. We will select students based on Year 12 results and uniTEST performance.

If you have some higher education

Tertiary Transfer

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

If you have vocational education and training (VET)

TAFELink

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

TAFE SA Dual Offers

Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

Adult Entry

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

If you have work and life experience

Foundation Studies

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

Military Pathways

Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

Special Tertiary Admissions Test (STAT)

Adult entry to university via the Special Tertiary Admissions Test (STAT) assesses your ability to study at a tertiary level.

A pathway to all degrees

Bachelor of General Studies

Begin your journey to a successful career. Flinders' Bachelor of General Studies is a flexible degree designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries.

19 July 2021

THIS IS FLINDERS

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here! flinders.edu.au/vr

A top-down view of several children sitting on a dark grey paved surface, drawing a hopscotch grid with colorful chalk. The grid consists of a central square divided into four smaller squares, with various colored triangles and lines around it. The children's legs and hands are visible as they work on the drawing. Some chalk sticks are lying on the pavement nearby.
