# FLINDERS FOR INFORMATION TECHNOLOGY

# STUDY AT FLINDERS

In an era of disruptive change, Flinders University is growing its international reputation as a world leader in research, an innovator in contemporary education and a source of enterprising graduates equipped to change the world.

The University acknowledges the traditional owners of the lands Flinders University teaches across (Arrernte, Boandik, Bungarla, Dagoman, Gunditjmarra, Jawoyn, Kaurna, Larrakia, Navo, Ngarrindjeri, Peramangk, Ramindjeri, Wardaman, Warumungu, Wurundjeri, Yolgnu) and honour their Elders past and present.

## TOP 2% UNIVERSITY WORLDWIDE\*

## NO.1 IN SA

for teaching quality, student support,  
and starting salary\*\*

More than 500 undergraduate,  
postgraduate and research degrees

Over 25,000 students supported by  
over 2,600 staff\*\*\*

AT FLINDERS IT'S

# ALL ABOUT YOU

## CHOOSE YOUR DEGREE

From medicine to business, science or arts offerings, Flinders University offers more than 500 undergraduate, postgraduate and research degrees taught by global and national experts focused on the experience and outcomes of their students.

## BE TAUGHT BY LEADERS

At Flinders, you'll be taught by teachers who are leaders in their fields. They are plugged into industry trends and connected to professional networks. Your future career will take practical shape from the very beginning of your studies as we guide you from the classroom to the workplace through inspired teaching, practical placements, internships, field education and industry projects.

## BENEFIT FROM WORLD-CLASS RESEARCH

Flinders University's research strengths include biomedical and clinical sciences, culture, policy and society, health and medicine, mental health and human behaviour, molecular science and technology, defence, engineering, water and environment. With 90% of Flinders' research rated world-standard or above,\* your studies will be supported by the up-to-the-minute knowledge of highly skilled researchers and lecturers.

\*Flinders rating 89.7%, rounded up to 90%. Excellence in Research for Australia, 2018

## GET THE SUPPORT YOU NEED

Flinders is SA's No.1 university for student support.\*\* From campus facilities to financial support, mental health and wellbeing resources and services, student grants, counselling services (including careers and financial) and many social opportunities, we offer a range of services to ensure your study experience is everything you want it to be. Find out more about student support on page 49.

\*\*The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

## EXPERIENCE A UNIVERSITY LIKE NO OTHER

Our geographic footprint stretches from the top of the Northern Territory through to South Australia and regional Victoria. Internationally, joint courses are delivered with leading universities in China, Hong Kong, Malaysia, Singapore and Indonesia. Our main campus at Bedford Park is an environment that fosters creativity. Sitting in stunning natural surrounds, it boasts spectacular views to the city and coast and features an award-winning, state-of-the-art student hub that fosters interactive learning in a digitally enabled environment.

## JOIN A GLOBAL COMMUNITY

Flinders University graduates are enterprising, innovative and curious thought leaders in over 120 countries around the world. When you graduate from Flinders, you'll not only join over 106,000 graduates from an amazing variety of fields, you'll graduate from SA's No. 1 university for starting salary.\*\*

\*\*The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

## GAIN REAL-WORLD EXPERIENCE

Flinders Work Integrated Learning (WIL) enables you to gain work experience while you study. You'll have the opportunity to gain real-world experience through placements, practicums, field studies, and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

## THINK BIG. MAKE AN IMPACT. DESIGN YOUR FUTURE.

Careers are evolving and the workplace of the future will look very different from today. Powered by Flinders' New Venture Institute, our suite of innovation and enterprise electives and courses will help you to develop the 'personal enterprise skills' that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally. No matter what you choose to study at Flinders, you can embed an innovation and enterprise elective into your degree.

## TAKE YOUR STUDIES OVERSEAS

Why wait until you graduate to explore the world? Flinders' Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle.

"My exchange was honestly one of the most amazing and rewarding six months of my life. The friends I made, the things I saw and experienced will stick with me for the rest of my life."

Rebekah Jones

Canada

## EXPLORE FLINDERS SCHOLARSHIPS

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 550 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas and Indigenous students, you may be eligible for support that will help you achieve your goals at university.

"The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree."

Ryan Rowston, Bachelor of Computer Science

Wyndham Richardson Scholarship Fund

# FLINDERS VILLAGE

**\$1.5 billion development**

Centred around the new Flinders Train Station (due to open early 2021) and directly connecting the University's main campus to its Tonsley innovation precinct and the Adelaide city centre, the \$1.5 billion Flinders Village development will create a campus environment which merges university life with the wider community.

Flinders Village will feature student accommodation, an advanced health research facility, transitional health accommodation, a hotel, and amenities such as retail facilities, benefitting students, staff and the community.

**Community-centred student living**

**Flinders Station links Bedford Park to Tonsley and the city**

CREATE TOMORROW'S SOLUTIONS, TODAY

# INFORMATION TECHNOLOGY

## EXPLORE INFINITE POSSIBILITIES

### STUDY INFORMATION TECHNOLOGY AT FLINDERS

The technology industry is fast paced, stimulating and a key innovator in multiple fields. You could drive innovation and solve real-world problems.

#### CREATE YOUR OWN FUTURE IN AN EXPANDING INDUSTRY

There are a wide range of careers available in information technology. You could work in areas such as medical research, climate change, the environment and business, or contribute to the creative industries and the development of new products and services.

#### A REWARDING CAREER

Make a difference in areas as diverse as business, commerce, defence, medical research, climate change and the environment. The skills and knowledge you'll develop at Flinders are in high demand, and could help create innovative solutions to the challenges arising from technological changes.

#### STUDY FOR SUCCESS

You'll study at our \$120 million science and technology precinct at Tonsley. With close ties to industry and state-of-the-art facilities, including specialised collaborative computer and communications network labs, you'll graduate career-ready with a professionally accredited degree.

## No. 1 in Australia

in Computing & Information Systems  
for overall quality of experience

The Good Universities Guide 2020 - overall quality of  
educational experience (postgraduate)

## Industry Partnerships

As an authorised Cisco Academy, Flinders partnership with Cisco allows you to undertake courses that contribute towards Cisco certification as a Cisco Certified Entry Networking Technician (CCENT) or Cisco Certified Networking Associate (CCNA).

# Bachelor of Applied Geographical Information Systems

Create a career mapping the complexity of our world.

In this degree, you'll be taught skills to support change and growth in areas like global warming, urban planning, mining and exploration, archaeology, transportation and biodiversity management. We integrate field-based data acquisition with modern technology, computer workshops and classroom-based theory.

- Study at a university that leads Australia in implementing and teaching the latest geospatial technologies including Esri's ArcGIS Enterprise Geospatial Platform.
- Study a secondary area including biology, geography and environmental studies, archaeology, and criminology.
- You'll gain practical experience and develop on-the-job use of a range of relevant digital technologies in our dedicated Spatial Information Systems Laboratory.
- Benefit from teaching and research in ground-based LIDAR and image spectrophotometers.
- You'll develop contacts and work skills through an industry placement in an environmental agency.
- Study at a university that leads Australia in spatial databasing and delivery systems.
- The degree meets the international standards of geospatial science.

### CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- GIS analyst
- GIS data coordinator
- spatial information officer
- land resource information officer
- GIS and knowledge management officer.

### Potential employers include:

- SA Water
- Rural Solutions SA
- Aerometrex Pty Ltd
- Dronemetrex Pty Ltd
- Department of Environment and Water
- local government
- state and federal government.

# Bachelor of Computer Science

Your career could help program the future of computing and technology.

Chase your passion and gain the applied skills, tools and techniques to work as a professional software designer and developer. This degree will give you the practical experience required to design efficient, reliable software that meets industry standards. You'll also learn about the hardware on which software runs. You'll graduate with a comprehensive understanding of both the theoretical and practical aspects of computing technologies, prepared for a career in a computing-related field.

# Bachelor of Information Technology (Game Development)

Build a career in game development.

If you love games and want to learn how to make them, this course will familiarise you with the tools and practices of game development. Alongside entertainment applications, game development is used to create experiences to aid in training, marketing, or for social change.

You could develop games to enhance skill development and knowledge acquisition for critical future industries or for current needs across a range of areas from construction to defence, corporate organisations to health care, education to public policy.

Game development is an important tool for modelling real-life scenarios for training, problem solving and research in a variety of fields. Making games is a creative and technical art form, and this course will see you graduate with qualifications that are in demand across a broad range of industries.

# Combined degrees

Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Example degree combinations

## Bachelor of Mathematical Sciences/Bachelor of Computer Science

### SATAC CODE 224632

Develop the deep and necessary knowledge to focus on the scientific and technical computational problems that occur in a variety of areas including epidemiology, econometrics and defence systems.

## Bachelor of Information Technology (Network and Cybersecurity Systems)/Bachelor of Criminology

### SATAC CODE 224702

Combine studies in networks and cybersecurity with criminology to deal with the issues of cybercrime and cybersecurity. Develop a broad and comprehensive knowledge of both the socio-legal and technical aspects of cybersecurity.

For a full list of combined degree options visit [flinders.edu.au/combineddegrees](https://flinders.edu.au/combineddegrees)

# You may also be interested in...

Flinders offers a range of degrees to capture your interest and let you chase your passions. You could take the first steps towards a rewarding career.

Explore these degrees:

## Bachelor of Engineering (Robotics) (Honours)

### SATAC CODE: 224841

Create a career designing the robot workforce of the future.

Changes to the way our workforce operates are opening up career opportunities in fields like robotics. This degree will see you graduate with the latest learning in robotics technologies, preparing you to become a key player in developing the robots that will populate our future. The degree combines electronics, computer control, signal processing and programming in the design, development and application of robots, and their integration with other systems in the work environment.

## Bachelor of Engineering (Software) (Honours)

### SATAC CODE: 224851

Combine the skill of engineering with the power of computer technology.

This future-oriented course enables you to choose a course of study with either an electronics or computer science focus. It provides you with a solid foundation in the technical and professional skills and knowledge required to pursue a successful career in the software industry.

Find out more [flinders.edu.au/study](https://flinders.edu.au/study)

# Flinders at Tonsley

Tonsley embodies world's best practice in education, teaching and research. It's a place where innovation, collaboration and entrepreneurial spirit combine to create the products and processes of the 21st century and beyond.

With more than 150 staff and 2,000 students – and a 2,000 square metre pod for heavy engineering equipment – Tonsley is a place where Flinders University students interact with business and where business interacts with Flinders researchers in areas such as engineering, medical devices and nanoscale technologies.

Flinders at Tonsley centrally locates computer science, engineering and mathematics at Flinders University, with the New Venture Institute, Medical Device Research Institute and Centre for Nanoscale Science and Technology, alongside some of Adelaide's biggest businesses and industries.

Tonsley is located centrally between Flinders University's Bedford Park campus and Adelaide city. It's connected to the city by train, offering convenient access 15 minutes from the city's CBD. And Tonsley is a five-minute car ride, a 15-minute ride on the Flinders loop bus, or a 30-minute walk from the Bedford Park campus.

## GET MORE OUT OF YOUR STUDY

### Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd.

A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees.

[flinders.edu.au/combineddegrees](https://flinders.edu.au/combineddegrees)

### Bachelor of Letters

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

The Bachelor of Letters is available in the following disciplines:

- Archaeology
- Creative enterprise
- Creative writing
- Criminology
- English
- Health
- History
- Innovation and enterprise
- Languages (French, Italian, Modern Greek, Spanish)
- Mathematics
- Sports performance coaching
- Theology.

The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

## BEGIN YOUR JOURNEY TO A SUCCESSFUL CAREER

### Bachelor of General Studies

The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

[flinders.edu.au/study/courses/bachelor-general-studies](https://flinders.edu.au/study/courses/bachelor-general-studies)

# STUDENT SUPPORT

Whatever you decide to study at Flinders, we're always here to help you succeed.

## Careers & Employability Service

The Careers and Employability Service helps give you the edge in your career. CareerHub, our online employment portal, offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources. Whatever you are studying, CareerHub can help you find your direction and start your career.

[flinders.edu.au/careers](https://flinders.edu.au/careers)

## Flinders Connect

Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

[flinders.edu.au/flindersconnect](https://flinders.edu.au/flindersconnect)

## Flinders Library

Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.

[libraryflin.flinders.edu.au](https://libraryflin.flinders.edu.au)

## Flinders Living

Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.

[flinders.edu.au/living](https://flinders.edu.au/living)

## Flinders University Student Association

The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

[fusa.edu.au](https://fusa.edu.au)

## Health, counselling and disability services

Managing your health is important. We have facilities and services available to help you look after your physical and mental health.

[flinders.edu.au/hcd](https://flinders.edu.au/hcd)

## Transition to university

Starting at university is a big step; let's make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

[students.flinders.edu.au/study-support/slc](https://students.flinders.edu.au/study-support/slc)

## Yunggorendi Student Engagement

Yunggorendi Student Engagement provides high quality support services for Aboriginal and Torres Strait Islander students at Flinders University. Our team of highly qualified Indigenous and non-Indigenous staff connect to Indigenous and non-Indigenous communities on local, national and international levels.

[flinders.edu.au/yunggorendi](https://flinders.edu.au/yunggorendi)

# PATHWAYS TO STUDY

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

## If you have recent secondary education

### Year 12 Entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

### Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

### Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

### uniTEST

If you're in Year 12, uniTEST may enhance your chances of getting into Flinders. We will select students based on Year 12 results and uniTEST performance.

## If you have some higher education

### Tertiary Transfer

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

## If you have vocational education and training (VET)

### TAFELink

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

### TAFE SA Dual Offers

Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

### Adult Entry

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

## If you have work and life experience

### Foundation Studies

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

### Military Pathways

Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

### Special Tertiary Admissions Test (STAT)

Adult entry to university via the Special Tertiary Admissions Test (STAT) assesses your ability to study at a tertiary level.

## A pathway to all degrees

### Bachelor of General Studies

Begin your journey to a successful career. Flinders' Bachelor of General Studies is a flexible degree designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries.

[flinders.edu.au/study/pathways](https://flinders.edu.au/study/pathways)

# WHEN CAN I START?

Flinders offers two admissions cycles each year for undergraduate degrees.

**Semester 1 – March start**

Applications open in August for commencement the following year.

**Semester 2\* – July start**

Mid-year applications open in August for commencement in July the following year.

\*Not all degrees are offered for semester 2 entry. Check our midyear site for details: [flinders.edu.au/midyear](https://flinders.edu.au/midyear)

# HOW DO I APPLY?

# THIS IS FLINDERS

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here! [flinders.edu.au/vr](https://flinders.edu.au/vr)

A woman with dark hair and glasses is shown in profile, looking at a laptop screen. The screen displays a list of university courses, including Administration, Human Resources, Legal, Accounting, Finance, Marketing, Publicity, Promotion, Research, Business Development, Engineering, and Manufacturing. The background is dark with bokeh light effects.
