The world is transforming rapidly around you, and your choice of higher education is now more important than ever. In this age of unprecedented change, you will need critical thinking skills in order to separate real news from fake news, truth from lies, and information from knowledge. These skills will help you achieve what might previously have seemed impossible and to navigate a future that hasn't even been dreamt of yet.

At Notre Dame, we empower you with the fundamentals of critical thinking. For many centuries, these classic intellectual arts have prepared humankind to overcome any challenge. And now, in a time of exponential change, they are more crucial than ever. Critical thinking is open, adaptable and flexible, and generates lifelong skills for an entirely new generation of CEOs, entrepreneurs, leaders, and global citizens.

Critical thinking involves courage and curiosity, a receptiveness to new ideas, and a belief in the power of wisdom to enrich your decisions within and beyond your career. At Notre Dame our students are all trained in critical thinking, no matter what they study, as this analytical approach to thinking is embedded in every single one of our degrees. This is why we were ranked the No.1 university for Skills Development in Australia*.

Welcome to The University of Notre Dame Australia's 2021 Undergraduate Guide.

“At Notre Dame we aim to educate you for life beyond university through our Core Curriculum, providing the fundamentals of critical thinking that equip you for the challenges of today’s uncertain future.”

Choosing a university that will prepare you for a rich, fulfilling career and life is a big decision. To help you make that choice, the pages within this guide will let you explore campus life at Notre Dame and provide an insight into our unique approach to university education, broad range of programs and student support services.

As a university, Notre Dame draws on centuries of teaching, scholarship and research, the foundations of which we share with over two thousand Catholic universities and colleges across the world. We welcome students of all faiths, beliefs and backgrounds and, as a community, we promote and enjoy open and rigorous enquiry, debate and discussion.

Notre Dame’s holistic approach to education is steeped in our intellectual tradition and is designed to develop you both academically and personally. This underscores why we are the number one university nationally for overall graduate satisfaction*.

At Notre Dame, we believe a student’s personal growth is as important as their academic development so we aim to teach you how to lead a fulfilling life as well as have a successful career through our Core Curriculum, which is embedded in every one of our degrees. It provides the fundamentals of critical thinking that equip you to problem-solve, adapt and become an ethical leader.

Should you have any questions after studying our guide, I encourage you to get in touch with our team. I look forward to welcoming you on campus in 2021.

Professor Francis Campbell
Vice Chancellor

Enhancing your employability

At Notre Dame you have unparalleled opportunities to gain the skills and experience employers value. Here are some of the reasons why our graduates are among the highest rated by employers for overall satisfaction and employability skills (2019 Employer Satisfaction Survey, compared.edu.au).

Professional experience

Our degrees have a strong focus on the integration of learning into the workplace through development of practical interdisciplinary skills, joint initiatives with business and industry, and high levels of professional experience. Notre Dame's Volunteering Network also offers a myriad of opportunities that allow you to give back to the community while adding real-life experience to your CV.

Experience the world

Notre Dame inspires you to become an active global citizen through a range of international exchange programs, professional placements, study tours and volunteer opportunities. Apply to study a semester of your degree at a range of destinations across the globe at one of Notre Dame's partner institutions in Europe, USA, Canada and Asia.

Learn from leaders in their fields

Benefit from the expertise of your teachers in a supportive environment that facilitates discussion and practical, career-focused learning.

Careers

Our Careers Advisors can help you with all you need to know about job planning and applications. A series of careers-related workshops are also held throughout the year.

Critical thinking skills

At Notre Dame, our Core Curriculum will empower you with the fundamentals of critical thinking and lifelong skills essential for a new generation of CEOs, entrepreneurs, leaders and global citizens. Through the study of Philosophy, Ethics and Theology, the Core Curriculum allows you to collaborate with students of all disciplines, solve problems, ask questions and consider how you can achieve your career ambitions while building a better world.

A world of opportunities

A global perspective adds a valuable dimension to your university education. Study while experiencing the world. Notre Dame inspires its students to become active global citizens through a range of exchange programs, professional placements, study tours and volunteer opportunities with local communities in countries such as India and Timor Leste.

Study Abroad

Notre Dame's Study Abroad program allows students to explore other countries and cultures while studying and earning credits towards their degree. Notre Dame has a number of partnerships with universities in Europe, UK, Canada, USA and Asia. Visit notredame.edu.au/studyabroad for details of destinations.

Overseas study tours

Students from a range of disciplines can participate in overseas study tours while earning credits directly towards their degree major or minor. Notre Dame lecturers guide students through international destinations where they participate in intensive study programs which combine unique academic and practical learning experiences.

Cultural immersion and volunteering

Notre Dame students have a rich history of making a difference through involvement in cultural immersion programs and volunteer projects both in Australia and abroad. Once you enrol, you can contact your chosen School to find out more about the opportunities available to you.

 Study abroad with destinations across Europe, UK, Canada, USA and Asia.

Campus Life

Whether on campus or online, you can connect with your Notre Dame University community.

Student Experience

The Campus Life team are dedicated to providing you with opportunities to make a difference, learn new skills and meet new people through sport and recreation, mentoring, volunteering, clubs and societies. We also provide careers guidance via Beyond the Books and a free and confidential counselling service. These opportunities are available on campus and online to all our students.

Student Association and Clubs

The Student Association (SAUNDA) is nothing without you, the students. By enrolling at NDU you are automatically a SAUNDA member, giving you the opportunity to be heard through direct student representation. SAUNDA is here to support your student experience, and offer amazing opportunities, activities and events so you can make the most of your time at University. You can join one of over 20 clubs and societies or start your own, join the SAUNDA Committee, or participate in student led activities. SAUNDA is also online, which means you can participate and continue your student journey wherever you are through online workshops, meet and greets, competitions, live streams and more. Be sure to check out the SAUNDA website, Facebook and Instagram pages to stay up to date with student events.

Mentoring Program

At Notre Dame University we understand that your first year is both an exciting and daunting experience, and that's why we pair first year undergraduate students with a student mentor during first semester. Your

mentor will arrange meetings with you either in person or online enabling you to contact them during semester in case you need assistance. Your mentor is here to help you navigate through your first year, giving you guidance throughout your time at university.

Volunteering

Engage in volunteering and you'll have a positive impact on the community while also extending your personal and professional networks, improving your skills, meeting new people and enhancing your résumé and career opportunities. There are many internal and external opportunities for you to volunteer during the year.

Sports

Campus Life offers you a wide variety of sporting and recreational activities. From the high-level Elite Athlete program to social sport offerings such as lunchtime netball, football, basketball, futsal and volleyball, as well as classes and activities that can be accessed online such as yoga, e-sports and UniSport League of Legends. Notre Dame University sends teams to Division 1 and 2 Nationals – a week-long multi-sport tournament featuring universities from around Australia. There are also national competitions in 3 x 3 basketball, athletics, Indigenous Games, Snow Games, marathon, Oztag, surfing, swimming, T20 cricket and triathlon.

Elite Athlete Program

We are committed to supporting elite athletes to achieve academic excellence whilst pursuing a sporting career. To be eligible for the program you must currently compete in your chosen sport at a:

- National open level
- National age-group level or State open level
- State age-group level

Campus Ministry

The Campus Ministry team works to promote, encourage and engage students' faith on campus and to offer the chance for students and staff to flourish and seek excellence beyond measurable academic criteria. Campus Ministry welcomes students of all backgrounds and faiths, or no faith at all.

Careers

The Beyond the Books team are your gateway to career success and are available to help you realise your full potential from day one at Notre Dame University. The University's Careers Advisors offer one-on-one appointments, face-to-face and online careers workshops on a range of career-related topics. Topics include: job-seeking strategies; résumé and cover letter writing; interview preparation and emotional intelligence. Pre-recorded career workshops are also available so you can access them wherever you are. Bookings can be made online through CareerHub. CareerHub also offers you access to job and internship listings and a range of careers resources.

Counselling

Our free and confidential counselling service helps students develop skills and strategies that enable you to achieve your personal and academic goals, making your time at university more comfortable and stress-free. The counselling service also offers phone counselling to ensure that you can access this resource off campus.

Notre Dame is committed to ensuring you can continue your studies and remain connected while you are off campus through streamed lectures, virtual interactive tutorials, sharing and collaboration, and more.

Academic support

Throughout your degree, you will have access to a range of programs and opportunities to help you succeed at university. Most support is provided free of charge and is delivered via demand-driven workshops and individual appointments with a Learning Advisor. You can join workshops on topics designed to address the challenges common to university life, such as referencing and academic integrity, time management, academic essay writing, critical reading, note-taking, understanding feedback from assessments, and exam anxiety.

English as an additional language support

If English is not your first language and you need additional assistance to manage your studies in English, you can make an appointment to see a Learning Advisor with specialised skills in English for Academic Purposes. You can make one-on-one appointments and/or join small study groups to build your skills.

Support for Indigenous students

Notre Dame is committed to providing an educational environment that acknowledges, respects and embraces Aboriginal and Torres Strait Islander peoples’ cultures. The University is also committed to providing culturally appropriate support for all Aboriginal and Torres Strait Islander students. An Indigenous Student Support Officer is available to work with Aboriginal and Torres Strait Islander students, and oversees the coordination of additional support that assists students. Aboriginal and Torres Strait Islander students will be able to access additional funding for their study success through the Indigenous Students Success Program and are encouraged to get to know the team in the Study Centre.

Access and inclusion

The Access and Inclusion team is responsible for the assessment of students with disability or equity matters, and the planning and implementation of reasonable adjustments that may include:

- Changes to examination conditions
- Equipment and assistive technology
- Services such as assistance with note-taking
- Alternative format study materials
- Tailored study skills advice and support in collaboration with a Learning Advisor

Student wellbeing, safety and support

Notre Dame seeks to be a community that promotes and enhances the wellbeing of every individual student by encouraging them to recognise and develop their own gifts and talents. We also aim to be a community that assists students to achieve wholeness as a person, to realise their interconnectedness with others and to understand how they can best serve society. At Notre Dame we are committed to the wellbeing, safety and support of all our students.

“The more you engage with the supports around you, the more resourceful, capable and connected you’ll become as a student. These are the keys to academic success and to making the most of your time at university.”

Jane
Associate Professor Jane Stenning
Director, Notre Dame Study Centre

Research vision

To be nationally and internationally renowned for conducting research that makes a difference.

Research mission

To develop and maintain a vibrant research culture which stimulates high quality translational research and makes a positive difference to our communities, particularly those most in need.

Research Institutes

Institute for Ethics & Society

The Institute for Ethics & Society (IES) aims to foster ethical awareness in professional and social life. This is achieved via four integrated activities:

- Developing a vibrant research agenda in targeted fields of academic study
- Providing expertise in ethics education for students and staff at Notre Dame
- Delivering training services for industry in areas of professional ethics
- Facilitating public engagement on issues of ethical importance

The IES Research focus areas include Moral Philosophy & Ethics Education, Bioethics & Healthcare Ethics, and Religion & Global Ethics.

Institute for Health Research

The Institute for Health Research (IHR) provides expertise in the design and analysis of complex health research with University researchers and those in the wider healthcare system. Through supervision of postgraduate research students and involvement in collaborative studies with other academic and clinical researchers, the IHR has a vibrant research focus with strong industry links that seeks to improve the health and wellbeing of the community.

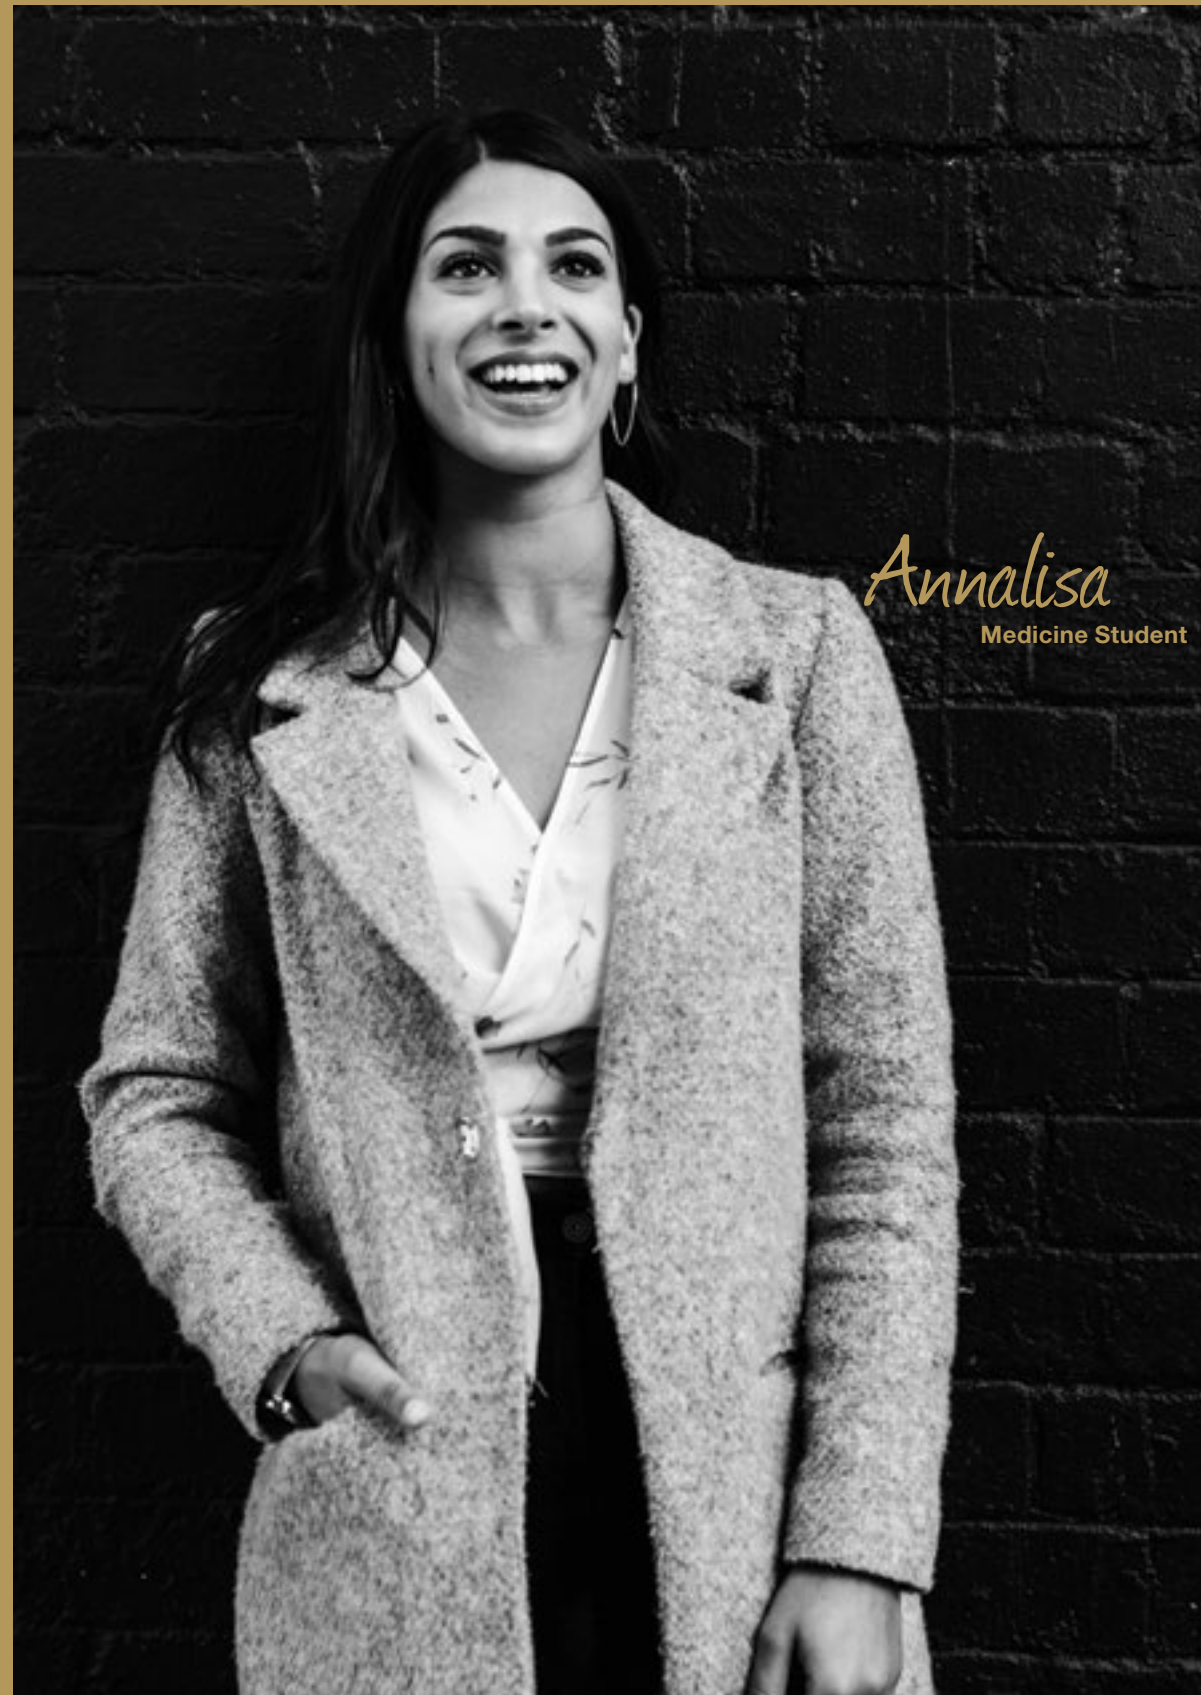

Nulungu Research Institute

The Nulungu Research Institute focuses on three core research themes – caring for Country; education; and Aboriginal wellbeing and health – within a context of valuing Aboriginal knowledge. Based at Notre Dame Broome, a Campus of Reconciliation, our research is guided by the core principle of 'Right People, Right Country, Right Way'.

A key feature of Nulungu's research profile is impactful community-driven collaborative projects with national and international academic institutions, teaching and research communities, government and industry.

International Baccalaureate

The University of Notre Dame Australia is the only university in NSW to have International Baccalaureate recognition for an undergraduate primary education degree. By undertaking a program of study with an IB-recognised university, you will:

- Improve the quality of your classroom teaching
- Enhance your competitive advantage in the global education job sector

Accreditation

The Bachelor of Primary Education and the Bachelor of Secondary Education are fully accredited with the NSW Education Standards Authority (NESA). Additionally, the Bachelor of Primary Education (Early Childhood Specialisation) is accredited with the Australian Children's Education and Care Quality Authority (ACECQA).

Those who are accepted into the IB program will be able to apply to the IB organisation for the IB certificate in teaching and learning on successful completion of their undergraduate degree.

Literacy & Numeracy Testing for Initial Teacher Education Students (LANTITE):

All teacher education students in NSW are required to enrol, pay for and sit the national Literacy and Numeracy Test for Initial Teacher Education Students (LANTITE) to demonstrate the required minimum level of personal literacy and numeracy prior to enrolling in their final professional experience. Students should sit the test early in their degree. Further information is provided by the School of Education.

Compulsory Program Requirements

1. Before you can undertake any professional experience in schools, it is compulsory that you complete a Working With Children Check, Anaphylaxis e-training, and Child Protection Awareness Training. Further information will be provided to successful applicants with their letter of offer.
2. Applicants must meet the minimum entry criteria as outlined in this guide in order to be considered for a place in a teaching degree. If students have achieved three Band 5s in the HSC, one of which must be English* (or equivalent for IB), they automatically meet normal progression requirements of the program to continue to the second year of the degree. If three Band 5s have not been achieved, students must successfully complete eight courses in their first year in order to progress to the second year of the degree.

*Please note English as a Second Language (ESL) will not count toward the required Band 5 English criteria.

Tertiary Pathway Program

The Tertiary Pathway Program (TPP) is more than an alternative entry into university. The program helps you to meet the minimum entry requirements for most undergraduate courses at Notre Dame, but it is also designed to help you develop the skills and attributes you need to be successful as you make the transition to undergraduate studies. Run by the Notre Dame Study Centre (NDSC), this program provides school leavers and mature age students an opportunity to connect with the Notre Dame community and to adjust to the rigours of the university experience.

How to apply through the Early Offer program

1

Prepare to apply online

Early Offer applicants will receive an outcome within 2 to 4 weeks of submitting an application. Therefore, the earlier you apply online, the earlier you may receive an offer to study at Notre Dame University.

Gather your available Year 11 and Year 12 reports. If you have not yet received your Year 12 report you can still submit your application.

Ensure these documents are in electronic format to upload to the online application.

Please note: International students need to apply according to international applicant guidelines using the online international application. For more information, visit www.notredame.edu.au/international/how-to-apply

2

Tell us about yourself

Through the online application you can tell us more about yourself. Prepare your response (approx 100 words for each question) so you are ready to enter it into the online application:

- Why are you applying to Notre Dame?
- What is your motivation for choosing your degree of interest?
- Tell us about your interests or achievements; these may include out-of-school activities, work experience, sporting achievements or community involvement.

3

Complete and submit the Early Offer application

Once you have completed steps 1 and 2, you are ready to complete and submit the online Early Offer application at www.notredame.edu.au/forms/early-offer. You will receive a confirmation email from our Admissions Office.

Who is eligible for the Early Offer program?

Australian students and international students undertaking Year 12 in Australia are encouraged to apply for the Early Offer program. All applicants must be currently in Year 12 and undertaking a minimum of 10 HSC units in total, including HSC English, with a minimum of 8 units from Category A courses (or interstate/IB equivalent).

Please note: International students need to apply according to international applicant guidelines using the online international application. For more information, please visit www.notredame.edu.au/international/how-to-apply

What are the minimum academic entry requirements?

Minimum academic entry requirements:

- If applying for an Arts & Sciences, Business, or Philosophy & Theology degree, demonstrating progress towards a minimum HSC average mark of 70*.
- If applying for a Nursing or Education degree, demonstrating progress towards a minimum HSC average mark of 75*.
- If applying for a Law degree, demonstrating progress towards a minimum HSC average mark of 80*.

* (or equivalent interstate/IB results). Review of academic results includes review of marks, ranks and cohort performance to assess progress towards meeting the above-listed HSC marks.

We want as many minds as possible to benefit from a Notre Dame education

Notre Dame offers a wide range of scholarships for undergraduate students. Funded by the University, industry, individuals and non-profit organisations, scholarships are available to prospective and current students. While the selection criteria vary for each scholarship, community involvement and leadership roles, as well as academic performance and financial need, are considered as part of the application process.

For more information visit notredame.edu.au/scholarships.

Investing in your future

Notre Dame is committed to making all its programs as affordable and accessible as possible, with its fee structure reflecting this goal.

How fees are calculated

Fees are calculated based on the discipline and study load of each course undertaken by students. For the majority of programs, courses studied do not all fall within the same discipline. For example, a student enrolled in a Bachelor of Education undertakes courses of study that are classified as 'education' and some that are classified as 'humanities'. In this example, the fee for the humanities courses is calculated against the Humanities discipline, while the fee for the education courses is calculated against the Education discipline. To access individual course costs please visit the University's website.

Pre-University Program

Eligible students undertaking the Tertiary Pathway Program who are allocated a Commonwealth Supported Place and have lodged a HECS-HELP form will pay no tuition fees.

Commonwealth Supported Places and HECS-HELP

Notre Dame offers Commonwealth Supported Places (CSP) in selected undergraduate programs.

Australian citizens, holders of permanent humanitarian visas and eligible New Zealand citizens who are allocated a CSP are able to access HECS-HELP and defer all or part of their tuition fees through a Federal Government loan.

Permanent residents of Australia and New Zealand citizens must pay their fees in full by the course Census Date.

All Indigenous students of Notre Dame are able to access Commonwealth Supported Places and HECS-HELP for undergraduate and some postgraduate programs.

Fee paying places and FEE-HELP

Notre Dame offers full-fee paying places for undergraduate domestic students in a number of programs. Australian citizens, permanent humanitarian visa holders and eligible New Zealand citizens are able to access the FEE-HELP loan scheme. This program allows eligible students to borrow all or part of their tuition fees from the Federal Government.

How will I pay?

The HECS-HELP loan scheme assists eligible students who have been allocated a Commonwealth Supported Place in paying their tuition fees. The FEE-HELP loan scheme assists eligible students who have been allocated a fee paying place in paying their tuition fees. Repayments in both schemes can be deferred until students are in the workforce. Students should consult studyassist.gov.au for further information and up-to-date eligibility requirements.

Additional study costs

The additional costs of study will vary from student to student. Additional costs include textbooks, uniforms, accommodation, public transport, photocopying, stationery and food.

Financial assistance

Austudy, ABSTUDY and Youth Allowance schemes are operated by the Australian Government and provide financial assistance to eligible students. For further information, please contact Centrelink on 13 24 90 (Youth Allowance and Austudy), or 13 23 17 (ABSTUDY) or visit humanservices.gov.au.

FAQ

How do I apply to Notre Dame?

Notre Dame is a direct application university. You can apply online at notredame.edu.au/forms/apply

Notre Dame is a private university. Does that make it more expensive than other universities?

Notre Dame’s tuition fees are similar to those charged by public universities for Australian citizens. There are no up-front tuition fees for eligible students accessing the Government’s Higher Education Loan Program (HELP). Students with Commonwealth Supported Places who

are Australian citizens, holders of permanent humanitarian visas and eligible New Zealand citizens have access to the HECS-HELP loan scheme. Commonwealth Supported Places are available in undergraduate Nursing, undergraduate Education and graduate-entry Medicine programs. Eligible students in other programs have access to FEE-HELP. For further information on university fees please visit www.studyassist.gov.au.

Can I change my program preferences?

Changing between programs is possible if you meet the program entry requirements. Please email the Admissions Office at sydney.admissions@nd.edu.au to submit your request to change programs.

Are there any alternative entry pathways?

The Notre Dame Study Centre offers an alternative entry pathway program, the Tertiary Pathway Program (TPP). Upon successful completion of this program, students can apply for an undergraduate program in the Schools of Arts & Sciences, Business, Education, Nursing, and Philosophy & Theology. The TPP assists students to develop confidence, readiness and skills to prepare them for Bachelor-level study.

Can I do part of my degree overseas?

Yes, you can. In our Study Abroad program, most degrees include the option for students to travel to partner universities in North America, Asia and Europe and have their studies overseas count towards their degree.

Key

DURATION (YEARS)

The time taken to complete a program may vary depending on the number of enrolled courses per semester, the selection of courses, and/or major(s) undertaken.

COMMONWEALTH SUPPORTED PLACES (CSP) AVAILABLE

A number of CSPs are available to Australian and New Zealand citizens, and all permanent visa holders.

STUDENT CONTRIBUTION ANNUAL FEES (CSP)

All Australian citizens, eligible New Zealand citizens and permanent humanitarian visa holders are able to access the Commonwealth Government’s HECS-HELP loan scheme to cover the cost of their student contribution. Ineligible New Zealand citizens and permanent visa holders are not able to use the HECS-HELP loan scheme and therefore must pay their student contribution by the first Census Date on their invoice.

FULL-FEE PAYING PLACES AVAILABLE AND INDICATIVE ANNUAL FEE FOR 2021

All Australian citizens, eligible New Zealand citizens and permanent humanitarian visa holders can use the Commonwealth Government’s FEE-HELP loan scheme to pay for the cost of their tuition. Ineligible New Zealand citizens and permanent visa holders are not able to use the FEE-HELP loan scheme and therefore must pay their tuition fees by the due date on their invoice.

STAT

The Special Tertiary Admissions Test (STAT) may be used to meet minimum academic entry requirements for this program. The number indicated is the minimum score required in the Multiple Choice and Written English sections of the test.

The Entry Requirements table should be read in conjunction with the information concerning Academic Admission Requirements at www.notredame.edu.au/study/admission-requirements

^IELTS

Academic IELTS is the preferred English language test. The number indicated is the minimum overall score required. Refer to www.notredame.edu.au/study/how-to-apply for other acceptable tests and the minimum overall and sub-scores required.

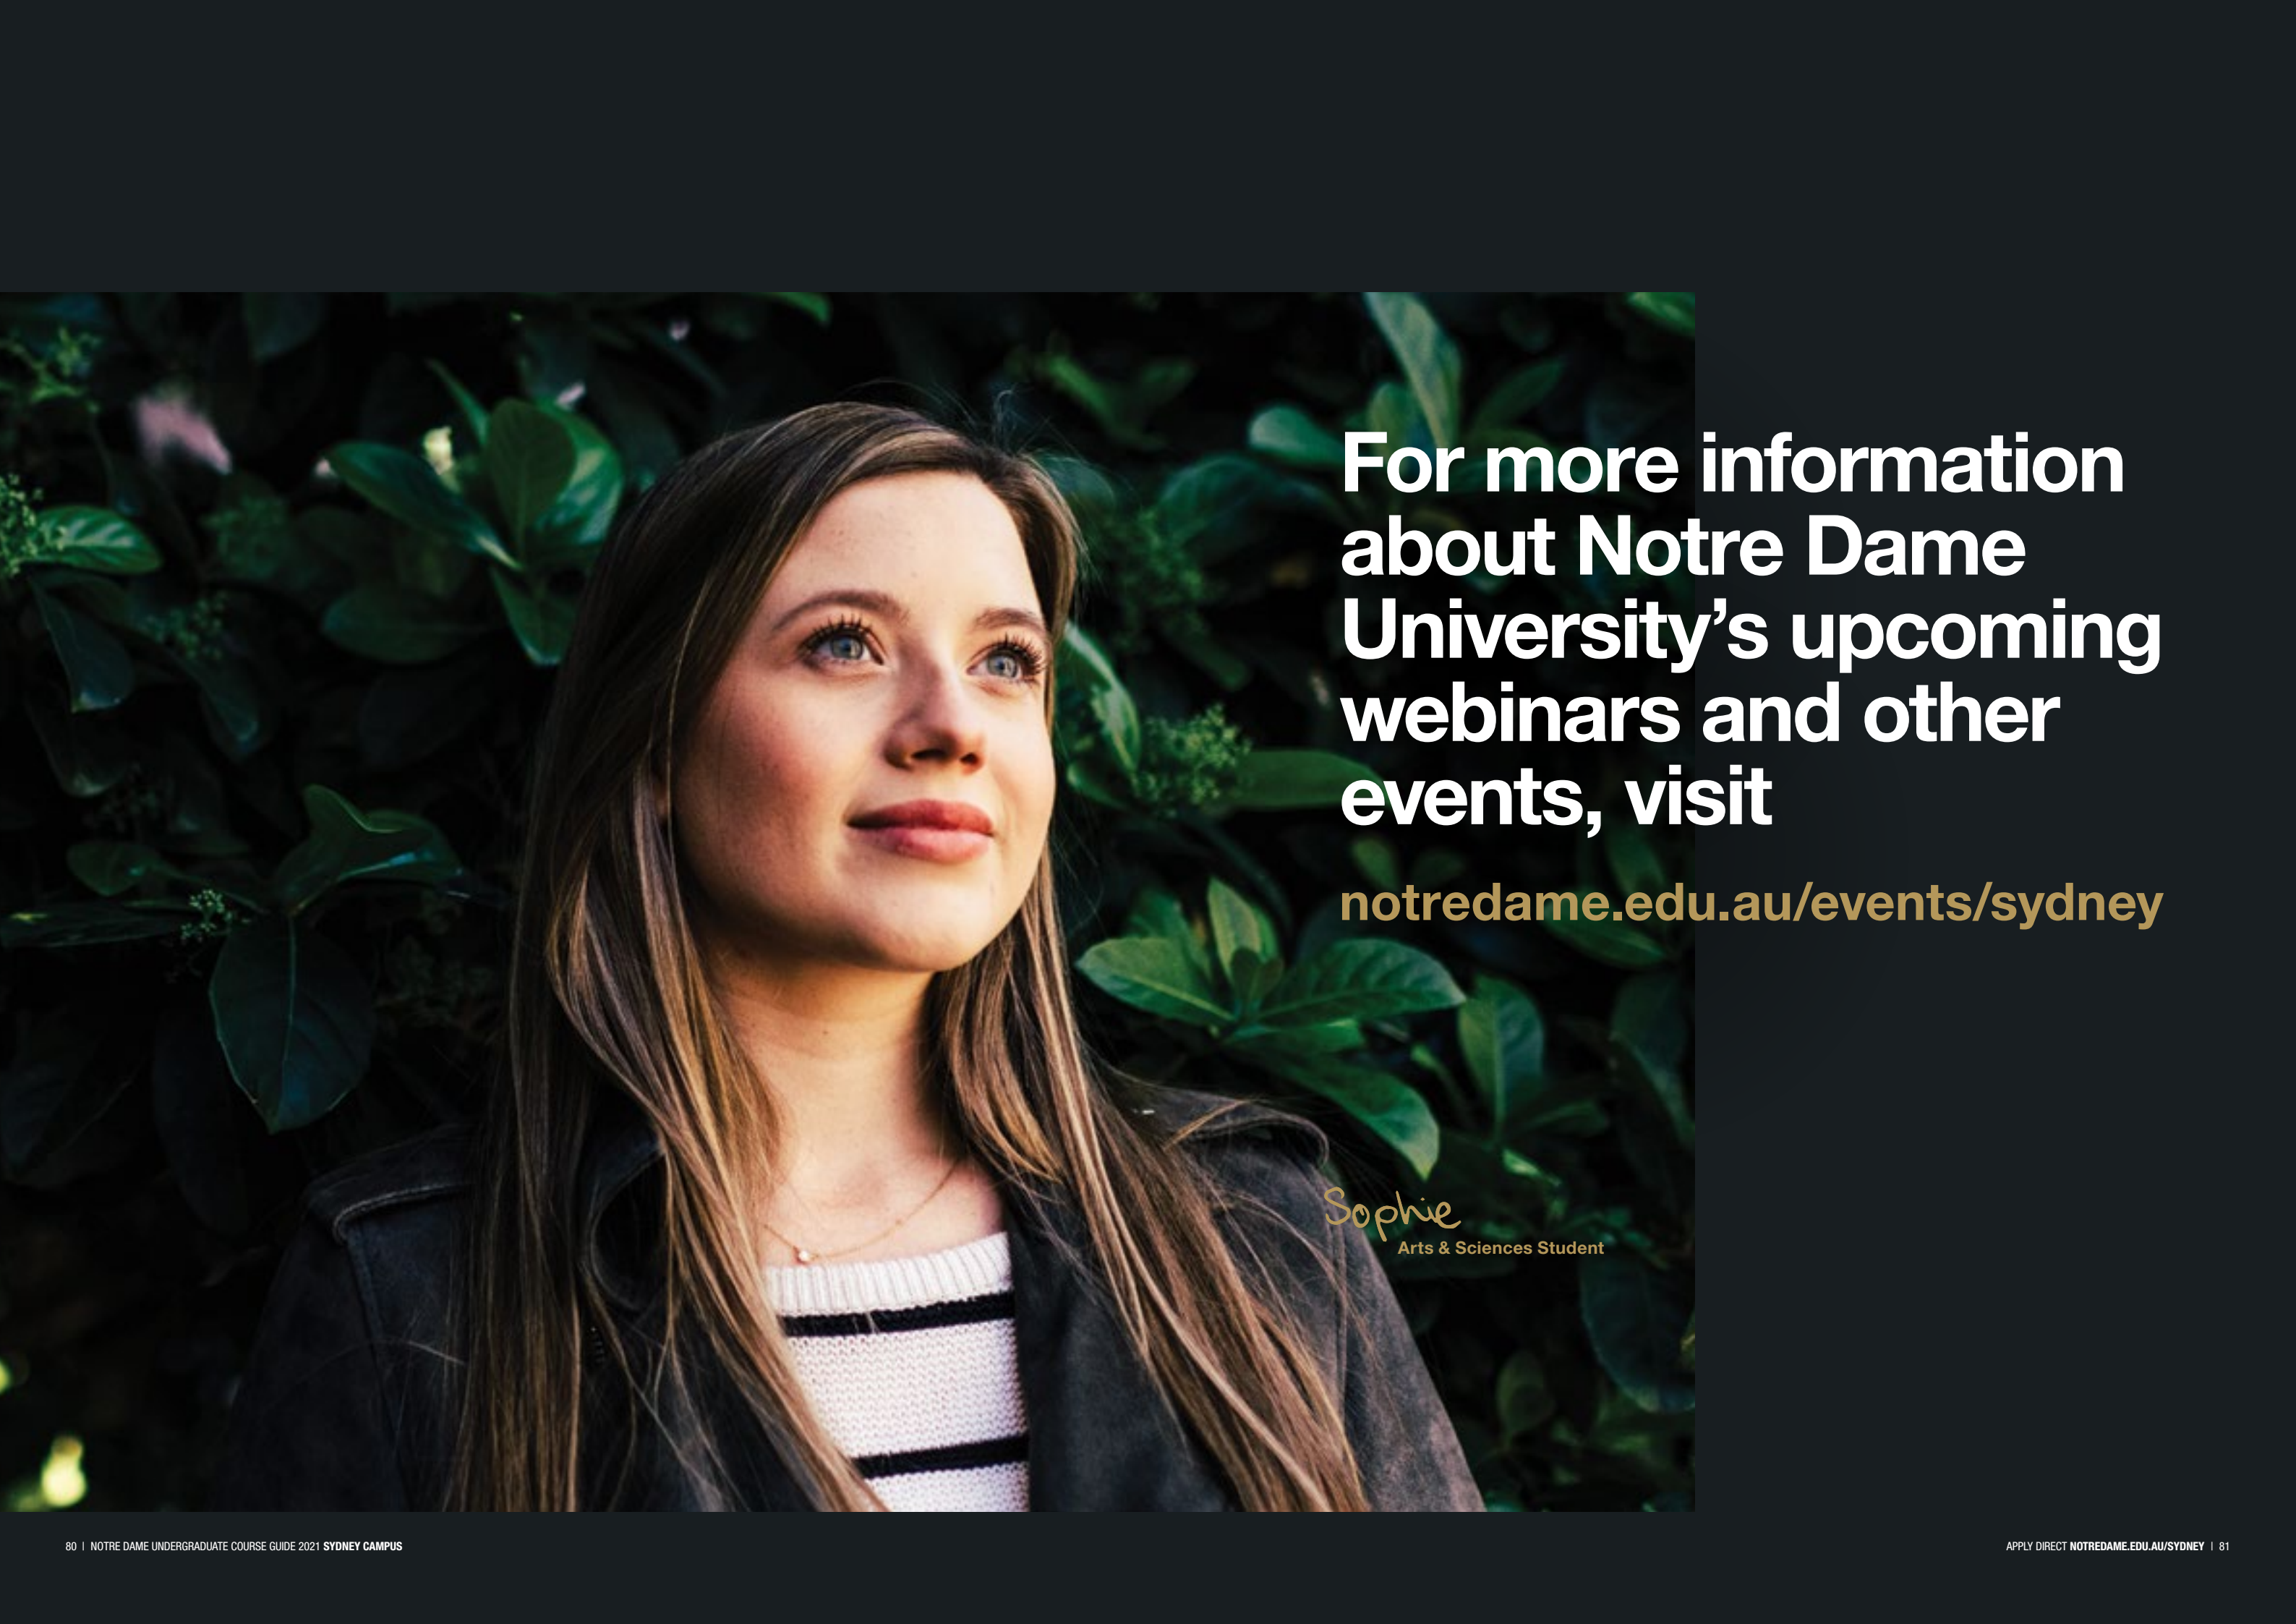

School of Arts and Sciences, School of Philosophy and Theology, School of Business: 6.5 overall, with no individual band score lower than 6.0

School of Nursing: 7.0 overall, with no individual band score lower than 7.0

School of Law: 7.5 overall, with no score lower than 7.5 in writing and no other band score lower than 7.0

School of Education: 8.0 overall, with no score lower than 8.0 in speaking and listening, and no score lower than 7.0 in reading and writing

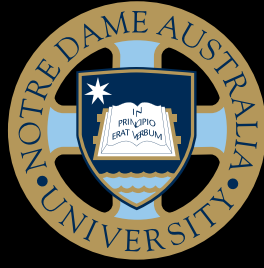

*The Bachelor of Laws (graduate entry) is designed to be completed in an accelerated 3 year program which requires the completion of 5 courses per semester in the first 4 semesters of the program and 4 courses per semester in the final 2 semesters of the program. This enables the completion of 3.5 standard years of study within 3 years.
